IMPORTANT TO MINERS.

**New Safety Explosive,
ROBURITE.**

Hitherto all mining operations, however carefully managed, have been attended with frightful loss of life and damage to property, owing to the treacherously dangerous nature of the explosives used, which, being composed principally of nitro-glycerine, are liable to premature explosion from any simple causes, but the NEW EXPLOSIVE, ROBURITE, contains no nitro-glycerine, and cannot possibly be exploded under any circumstances, except by insertion into the cartridges of a specially strong detonator made for the purpose. Neither in England, Germany, Australia, South Africa, Spain, nor in any other country, has a single explosion been reported as having occurred in mixing, cartridgeing or packing ROBURITE. It may be handled and transported as ordinary goods with perfect safety. IT DOES NOT FREEZE, and is not affected by changes of temperature. It gives off no noxious fumes, and miners may enter their works immediately after shots are fired without any injury to health. It is of less specific gravity than Dynamite, but is twenty-five per cent. more powerful, besides infinitely safer, and is four times more powerful than Gunpowder. It can be transported as freight by Railways and Steamships.

One trial will convince any one of its superiority, and all proprietors of mines who value the lives of their employees must see that it is their interest to use no other explosive.

The subscribers have the sole right to manufacture ROBURITE in Canada, and are prepared to furnish it at reasonable prices, together with all accessories for blasting, as Detonators, Fuses, Magnetic Blasting Machines, Electric Fuses and Wires.

We want to say to the 5,800 subscribers to THE CRITIC, that **GOLD LEAF FLOUR** is second to no high grade winter wheat patent flour on the market. To the trade we must say you cannot purchase anywhere as good an article for the same money. It is a 75 per cent. patent, and if you have not had any of it you ought to have a trial car at once, and you will always want it.
