MANUFACTURERS OF

# RAILWAY AND HIGHWAY BRIDGES

Locomotive Turn Tables, Roof, Steel Buildings and Structural Iron Work (all descriptions).

Patent Improved **Street Sweeping Machine** Is the Standard of Perfection.

Because no sweeper so effectively does the work for which it is designed as "The Studebaker." It Sweeps Clean. No sweeper is constructed with the same degree of care and mechanical precision. It Weeds Well. The Studebaker has the smallest possible number of working parts, and has less wearing than any other sweeper made. It is free from unnecessary complications. With reasonable care it will not get out of order. Send for complete descriptive catalogue.

**Studebaker Sprinkler**  
(PATENT IMPROVED.)  
Does not clog or get out of order. Greatest width of spray  
Can be graded from driver's seat to any volume.  
We also make an...  
**IMPROVED VERTICAL SPRAY**  
... for Pavement
