

PEARS'

THE FAMILY SOAP

**AFTER
THE
BATH**

Any baby will be happy after a bath with Pears' Soap. It is because Pears' is a healing balm to all scalds and chafing which make baby uncomfortable and peevish.

By the continued use of Pears' Soap the tender skin of the infant becomes as smooth and soft as velvet and aglow with health and beauty.

The reason is that Pears' Soap is pure. It contains no poisonous or irritating ingredients. It would be impossible for Pears' Soap to be other than healthful.

Of all Scented Soaps Pears' Otto of Rose is the best.
