DEAR SIR:

We are pleased to state that Messrs. W. J. GAGE & CO., TORONTO, have been appointed our sole agents for the sale of our celebrated PHYSICAL AND CHEMICAL INSTRUMENTS AND APPARATUS in the Dominion of Canada.

Having supplied UPWARDS OF FORTY of the leading Schools and Colleges in the Province of Ontario alone, we believe all must be assured of the very high character of our goods. The reputation already earned together with the fact of our connection with this widely known Canadian publishing house will be a sufficient guarantee for the future.

With our increasing trade in the Dominion we have been led to see the necessity of someone in Canada to look after our business, and so, having joined hands with Messrs. Gage, we may confidently assure you that, with special facilities for supplying this apparatus and an intimate acquaintance with the educational public, no pains will be spared to serve you in the best possible manner.

Messrs. Gage have authority to sell at our VERY LOWEST prices, in all cases. You may therefore deal with them directly and be assured of best rates and prompt attention to your wants.
