ENDURING POPULARITY -- If ever a luxury possessed the elements of enduring popularity, that luxury is MURRAY & LANMAN'S FLORIDA WATER. Its freshness, its purity, its delicacy, its unchangeableness, its wholesomeness, and its disinfectant properties in the sick-room, place it far in advance of every other perfume of the day. No other toilet water is like it; nothing can supply its place; no one who uses it can be persuaded to use any other perfume. Hence the amazing rapidity with which its sale increase. It is so far superior to all other perfumes of this hemisphere that it may be said to have no second; it stands alone, and after being thirty years before the people, is now making more rapid progress than ever before.

Purchasers are requested to see that the words

"Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine. INDOLENT SORES .- Vitality is so weak in some systems, that any ulcerous diseases with which they are afflicted, lapse almost immediately from the acute or inflammatory phase into the chronic condition, becoming sluggish and indolent. But they are not the less dangerous on that account, while they are much more difficult to deal with. In no class of Cases has BRISTOL'S SARSAPARILLA been administered with more signal success than in these. It supplies to the system and the constitution the vigor necessary to fight the disorder, while its antiseptic properties exercise a direct and most beneficial effect upon the sores. It is important to use BRISTOL'S VEGETABLE PILLS at same time with the Sarsaparilla, as they carry off from the system depraved and vitiated humors set free by the Sarsaparilla, and in this way hasten a cure

HABITUAL CONSTIPATION. - WORDS OF COMFORT .-Dr. Cyrus W. Nelson, of Boston, Mass., author of Clinical Observations on the Treatment of Abdominal Diseases,' says, in a letter dated February 27th, 1862: 'I consider Bristol's Sugar-coated Pills the best remedy for Chronic Constipution at present known. With me they have never failed, and I have prescribed them in at least fifty instances.'-He also states: 'That for all irregularities of the digestive function, the liver, and the bowels, they are by far the most useful medicine he has ever prescribed - perfectly safe, and emmently reliable. Similar testimony is volunteered by Dr. Humphrey Lettsom, of Chicago, Ill., who enumerates thirty cases, with names and dates, in which he has administered the Pills, with entire success, for habitual costiveness and piles.

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARIL-LA should us used in connection with the Pills.

MRS. WINSLOW'S SOOTHING SYRUP.

Rev. Sylvanus Cobb thus writes in the Boston (hristian Freeman :- We would by no means recom. mend any kind of medicine which we did not know to be good - particularly for infants. But of Mrs. Winslow's Soothing Syrup we can speak from know. ledge; in our family it has proved a blessing indeed, by giving an infant troubled with colic pains quiet sleep, and its parents unbroken rest at night. Most parents can appreciate these blessings. Here is an article which works to perfection, and which is harmless; for the sleep which it affords the infant perfectly natural; and the little cherub awakes as bright as a button.' And during the process of teething its value is incalculable. We have fre quently heard mothers say they would not be with. out it from the birth of the child till it had finished with the teething siege, on any consideration what-

S. T.-1860:-X.-The amount of Plantation Bitters sold in one year is something startling. -They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake painted all the rocks in the Eastern States with his cabalistic "S. T .- 1860. - X." and then got the old granny legislators to pass a law " preventing disfiguring the face of nature," which gives him a mono-poly. We do not know how this is, but we do know the Plantation Bitters sell as no other article ever did. They are used by all classes of the community, and are death on Dyspepsia-certain. They are very invigorating when languid and weak, and

WHAT DID IT! - A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a rustic, flushed face, she had a soft, ruby complexion, of almost marble smoothness; and in-stead of 22, she really appeared but 17. She told them plainly she used Hagan's Magnolia Salm, and would not be without it. Any lady can improve her personal appearance very much by using this article. Who is this PROF. VELPANI? He was a man of obscure birth, but he has given the world a Remedy for bald heads and grey hairs, that will make his name immortal Hair Restoratives are multiplying on every hand, but the great desideratum is to find an article that will accomplish the purpose for which it is designed without a thick unpleasant and offensive sediment.

Prof. Velpani has discovered a method of dissolving the ingredients, and holding them in solution, so that there shall be no deposit, and yet without destroying the essential properties of the ingredients. It is pleasantly perfumed, may be used at any time, is a splendid hair dressing without oil, and absolutely prevents the hair from falling off or turning prematurely grey.
