HEALTH WHERE TISSOUGHT

HOLLOWAY'S PILLS.

Cure of a Case of Wenkness and Debi-

Extract of a Letter from Mr. Smith, of No. 5 Little Thomas Street, Gibson Street, Lambeth, dated Dec. 12, 1850.

To Professor Holloway,-Sin,—I beg to inform you that for nearly five years I hardly knew what it was to have a day's health, suffering from extreme weakness and debility with constant nervous headaches, giddiness and sickness of the stomach, together with a great depression of spirits. I used to think that nothing could benefit me, as I had been to many medical men, some of who after doing all that was within their men, some or wno after doing are time was writin their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day, being unusually ill and in a dejected state, I saw your Pills advertised, and resolved to give them a trial, more marking from curtosity than a hone of being cured. more perhaps from curiosity than a hope of being cured, however. I soon found myself better by taking them, and so I persevered in their use for als me happy to say they effected a perfect cure.

[Signed] WILLIAM SMITH.

AYER'S CHERRY PECTORAL.

For the Cure of Coughs, Colds, Horseness, Bronchitis, Whooping- Cough, Croup, Asthma, and Consumption.

In offering to the community this justly relibrated remedy for diseases of the throat and lungs, it is not our remedy for diseases of the throat and lungs, it is not our wish to trifle with the lives or health of the afficied, but frankly to lay before them the opinions of distinguished men and some of the evidences of its success, from which they can judge for themselves. We sincerely piedge ourselves to make no wild assistants or false statements of its efficacy, nor will we hold out any hope to suffering humanice which facts will not werrant. nity which facts will not werrant.

Many proofs are here given, and we solicit an inquiry from the public into all we publish, feeling assured they will find them perfectly reliable, and the medicine worthy their best confidence and patronage.

From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College.

Dear Sig: I delayed answering the receipt of your preparation, until I had an opportunity of witnessing its elfects in my own family, or in the families of my friends.

This I have now done with a high degree of satisfaction,

the cases of both adults and children.

I have found it, as its ingredients show, a powerful remedy for colds, and coughs, and pulmonary diseases.

PARKER CLEAVELAND, M'D.

BRUSSWICK, MR., Feb. 5. 1847. Lowell, Aug. 10, 1849. Dr. J. C. Aver: I have been cured of the worst cough

UNITED STATES HOTEL, SARATOGA SPRINGS, 3

July 5 1949 }
Dr. J. C. Ayer,—Sirt I have been afflicted with a pain ful all ction of the lungs, and all the symptoms of settled consumption for more than a year. I could find no medi-cine that would reach my case, until I commenced the use of your "CHARKY PRITORAL," which gave me gradual relief, and I have been steadily gaining my strength till my

health is well nigh restored. While using your medicine, I had the gratification of curing with it my reverend friend. Mr. Trumin, of Sumpter District, who had been suspended from his parochial duties by a severe attack of bronchitis.

I have the pleasure in certifying these facts to you. And am, sir, yours respectfully.

J. F. CALHOUN, of S. Carolina. CHESTER, PA., Aug. 22, 1546.

J C. Ayer,-Sir: I was taken with a terrible cough, brought on by a cold in the beginning of bet February, and was confined to my bed more than two menths. Coughing incessantly night and day. I became glassly and pale, my eyes were sunken and glassy, and my ineath very short. Indeed, I was rapidly failing, and in such distress for breath that but little hope of my recovery could be for breath that but hitle hope of my fetted of mine (the Rev. John Leller, of the Methedist church) brought me a bottle of your Cherker Pactoral, which I tried more to gratify him, than from any expectation of obtaining relief. Its good effect induced me to continue it use, and I poon found my health much improved. Now in three months, I am well and accour, and can attribute my cure only to your great mer cine

With the deepest gratifude, yours &c.
