

## LEMONS.

I became acquainted with the great value of the lemon in California, where it is used for nearly everything, and as I am never averse to picking up good ideas, I have adopted some of the "old-woman's remedies." Sucking a lemon will very often settle a sour stomach or one that refuses all food. I was poisoned by eating chile-con-carne containing tainted meat, and for days could retain nothing on my stomach until I took lemon juice. This will in some cases stop the vomiting of pregnancy.

A lemon applied to a felon will often abort it. Cut off one end of the lemon and stick in the finger, leaving it twelve hours. Lemon juice is an excellent application for sunburn. I have applied lemon juice with excellent results in follicular tonsillitis. With lemon juice I cured rhus poison that had resisted treatment. It is an excellent remedy for eczema of the legs in fleshy cases with bad circulation. Apply the juice twice a day. In fevers, weak lemonade is often better than water as a drink.—Dr. C. E. Henry, in Alkaloidal Clinic.

Eupatorium, or the common boneset, the Medical Summary says, is a very excellent remedy in intractable hic-cough, curing when all other remedies have failed.
