Mercantile Summary.

S. E. SIMPSON, the wife of Jos. M. Simpson, doing a small business at Arnprior, has assigned.

MESSRS. JAS. HARRIS & Co., of St. John, N. B., are now at work on 120 box cars and 50 flat cars for the I. C. Railway.

We learn that Messrs. Medland & Jones have been appointed agents for Toronto of the Guarantee Company of North America.

LANGLEY, NEILL & Co., manufacturers of hats, in this city, have failed, and Mr. E. R. C. Clarkson will see what dividend creditors may expect.

A MINNEAPOLIS syndicate has bought a gold mining property in Lunenburg County, N. S., and intend erecting a large ten-crusher stamper at once. One twenty-inch lead produces \$65 to the ton of quartz and others are believed to be richer.

We learn of the assignment of H. F. Worrall, flour and grocery merchant, Halifax, with large liabilities. Mrs. Worrall is preferred for \$35,000. She was the widow of W. L. Black, and was considered wealthy, a few years ago.

The difficulty between the Moncton Town Council and the Gas and Water Company has been equitably settled. The company agrees to furnish the town with fifty fire hydrants at \$50 each per annum, and thirty electric lights, 1,200 candle power, at \$100 each, to be lit not less than 305 nights in the year. Free water is also to be given for flushing sewers, no exemptions to be had from taxation, and the town is to survey water works to ascertain cost of filtering the water. The Gas and Water Co. has made an extended contract with the Intercolonial Railway for light and water, and it is likely the capital stock will be increased to provide additional plant to carry out contracts.
