It has been decided to hold the annual convention of the National Plumbers' Association of Canada at Halifax, Nova Scotia, on August 13th and 14th.

Mr. Charles E. Langley, of the firm of Langley & Langley, architects, Toronto, is receiving the congratulations of numerous friends on his marriage to Anna M., second daughter of James White, of Woodstock, Ont. The ceremony took place at Woodstock, on the 12th inst.

Owing to its remarkable hardness, elasticity and durability, it rivals the best wax finish, but is free from its unpleasant slipperiness.

Moving furniture or boot heels do not leave white marks, nor does soap, mud, or water destroy its fine appearance.

It dries dust proof in about three hours.

Being very penetrating it closes the pores of the wood against disease germs, making it invaluable for hospitals, asylums, and similar institutions.

Architects patronize home industry and specify Granitine Floor Finish.
