

No. 1,390—*Mr. Robinson*

1. Does the Department of Manpower and Immigration provide subsidies and/or support programs for any segment of the economy, groups or individuals inside Canada and, if so, to what extent, in what amounts, and to whom are the amounts paid?

2. What amounts have been paid for subsidies and/or support programs during each of the years 1960-68 inclusive?

No. 1,438—*Mr. Coates*

1. What are the names of the eleven individuals classified as Executive under "Manpower Allocation" of the Department of External Affairs, what is the salary of each individual in the present fiscal year and what was his salary in the last fiscal year?

2. For what reason has the number of the Executive increased from eight to eleven?

3. What are the names of the 41 individuals classified as Scientific and Professional under "Manpower Allocation" of the Department of External Affairs, what is the salary of each individual in the present fiscal year and what was his salary in the last fiscal year?

4. For what reason has the number of the Scientific and Professional increased from 20 to 41?

No. 1,514—*Mr. Robinson*

1. Does the Department of Transport provide subsidies and/or support programs for any segment of the economy, groups or individuals inside Canada and, if so, to what extent, in what amounts and to whom are the amounts paid?

2. What amounts have been paid for subsidies and/or support programs during each of the years 1960-68 inclusive?

Mr. Forest, Parliamentary Secretary to the President of the Privy Council, presented,—Returns to the foregoing Orders.

Mr. Douglas (Nanaimo-Cowichan-The Islands), from his place in the House, asked leave under Standing Order 26 to move the adjournment of the House for the purpose of discussing a specific and important matter requiring urgent consideration, and stated the subject to be:

"the urgent situation revealed by the United States defence department that the United States is now seeking Canadian approval to fire anti-ballistic missiles with large thermonuclear warheads over Canadian territory and the fact that the Prime Minister will be meeting the President of the United States on Monday and Tuesday of this coming week, and that there should be a full and comprehensive discussion in the House of Commons prior to this visit in order to evaluate Canada's position in this matter."

And leave having been granted to the honourable Member to propose the said motion;

Mr. Speaker, pursuant to section (9) of Standing Order 26, directed that the proposed motion stand over until 8.00 o'clock p.m. this day.

Notices of Motions for the Production of Papers Nos. 70, 82, 83, 84, 85, 86, 87 and 88 were allowed to stand at the request of the government.
