

## GUIDE TO THE USERS

This index is a subject-based and cross-referenced index which provides subject analysis as well as corresponding entries under the names of individual Members of Parliament. Each participating Member and witness has a global entry, based on the order of reference that covers all pages where he/she spoke.

Knowledge, Hon. Stanley (NDP—Winnipeg North Centre)  
National Economic Expansion Department estimates,  
1984-1987, main, 158; 11-1, 19

Testimony and debate are analyzed for subject content and the entries are arranged alphabetically.

Included in the index are several headings that may be particularly useful: a list under Witnesses shows all appearances by individuals and organizations before the Committee; the heading Order of Reference lists all matters studied by the Committee; the section Procedure records all items of a procedural nature including those listed in the Minutes.

The index is extensively cross-referenced to account for organization of subject detail and varying terminology. Cross-references to a first sub-heading are denoted by a long dash "—".
