OUT FOR A SPIN

Winter's Work at the Machines.

Westminster Likely To Land Donihee

CORNWALL, April 8.—(Special.)—
That the coast is anxious for the services of Henry Donihee of last year's
Toronto team is evident by the fact that
today he received the second wire from
New Westminster requesting that he enter into negotiations.
The following is a copy of the telegram: The following is a copy of the telegram:

Let me know by wire at once what you will want to play with New Westminster. Can get you position. Start work as soon as you arrive. They are good bunch here, both players and backers, and will treat you right.

The telegram is from the same player who wired to Donihee last week, and who was also a member of one of the D.L.A. teams last season. Donihee has replied, giving them terms that will cause him to leave his happy home here. It is probable that the deal will be closed by the time this appears in print. Donihee expects to leave for the coast in about two weeks if his terms are agreeable. His services will be missed by the Toronto's, as he was generally conceded to be one of the best brilliant players in the D.L.A. last year.

For the first time this year the Argonaut eight went out for a spin yesterday afternoon. Everyone of last year's crew who went to Stockholm were out, except Boyd, whose place was filled by Keith. The former may not come out this year at all. Most of the boys are already in fair condition, as they have been working on the machines at the Central Y.M.C.A. Taylor and Murphy showed good form for so early in the season. Most of the others have considerable avoirdupois to take off in mid regions, but should soon get rid of this with the regular workouts just beginning. The vacancy at No. 2 is eagerly being sought after, and several likely recruits will be given tryouts. The crew skipped yesterday as follows: Bow Riddy, 2 Keith, 3 Kent, 4 Murphy, 5 Sinclair, 6 Gale, 7 Gregory, stroke Taylor, cox McClary.

BOOKS AS USUAL

Winners at Jamestown Well Backed, But Lots of Money Also on the Losers-Marlboro Results.

NORFOLK. Va., April 8.—Evenly balanced fields furnished good sport at Jamestown to-day. All the winners were fairly well backed and as there was lots of money on the losers the books, as usual, beat the game. In the first event, the Prospect, for maiden two-year-olds, another new one, Ral Parr's Robert Oliver, ridden by Butwell, carried off the prize. One of August Belmont's pair. Tea Enough and Checkmate, had been regarded as likely to win out, but Checkmate came in third to Trademark, which ruled favorite. Gaylord's colt, Real Star, led the field home in the second, while Rockrest and Pretty Molly, which had been doped out as contenders on form, were behind Fairy Godmother. McCahey was more fortunate with Futurity, which won the third, as had been expected, while Wolf came second with Irene Gummell, and then did better in the next event by landing Fatherola ahead of Rye Straw, which, while not the favorite in the betting, was the choice of the wise ones for the leadership. McCahey brought Kittery in at the head of the class in the last event, making Carmody's second win of the day, while The Gardener, which was supposed to be in condition to win out, was outside the money. In the fifth Clem Beachey was favorite, but Questionmark, Musgrave up, had no difficulty in taking the event, Clem Beachy finishing last.
