

**PANICKY FEELING
IN CHICAGO PIT**

Big Wheat Receipts at Winnipeg Gave Break in Prices.

CHICAGO, Sept. 24.—(Can. Press).—Huge receipts at Winnipeg and apparently unlimited quantities, to follow, pulled down wheat prices here today, notwithstanding a previous five-day decline. The market closed nervous, 1-8 to 3-8 net lower. Corn finished 1-2 to 5-8 off, oats unchanged to a setback of 1-4c and provisions less expensive by 2-12 to 12-1-2c.

Feeling that verged on semi-panic showed itself in the wheat pit late in the day when estimates were made public, showing nearly 1,500 carloads of wheat expected at Winnipeg tomorrow in addition to almost 1,200 carloads which arrived today. There were signs that much of this wheat was being used in Chicago, and the market gave way, three long liquidating and short sellers becoming aggressive.

Buying on a large scale by leading concerns rallied prices somewhat during the final half hour, but bearish sentiment prevailed in the end. Corn fell with wheat. Lower European prices and diminished shipping trade here cut some figures in the wheat pit. The fact that Illinois shipping returns were disappointing, and that offerings from the country were smaller proved insufficient to stem the effect. Oats were bearishly affected by reports that large shipments from Canada, duty paid, had been sold in the east at prices lower than those current in Chicago or elsewhere west. Texas buying at Kansas City and St. Louis helped steady the market. Provisions ruled steady, influenced by declines in the hog market. Packers were credited with much of the selling.
