ST. MIKES PLAY ON WEDNESDAY. St. Michaels have arranged to wind up the season by playing an All-Star team on Wednesday night in the Arena.
St. Michaels will visit New York next week to play the St. Nicks who are confident of winning the Amareur Hockey League championship again, at St. Nicholas Rink, on March 16.

BEACHES HOCKEY LEAGUE

Two of the fastest hockey games of the season should be witnessed at the Arena tonight, when Kew Beach and St. Josephs meet in a semi-final senior Beaches League game, and East Toronto and Riverdales meet for the championship of the intermediate series. Both games should be fast and exciting, and especially the senior game, as the winner of this game will meet Danforths in the final for the championship of the senior series. The intermediate game promises to be very fast also, as last year's winners of this series won the senior All-Toronto final, and this year's finalists claim to have teams just as fast as the winning team had last year, but in any case patrons of this league should see two fast games before the winners are finally declared. The first game between the senior teams will start at \$ 0'clock and the second for the intermediate championship will start at \$ 15 p.m.

The Kew Beach hockey team, champions of the Junior series of the Beaches Hockey League, will meet Capitals, champions of the Toronto Hockey League, in an All-Toronte Junior game at Ravina Rink, on Tuesday night, at 9 o'clock. All players and supporters of the Kew Beach team are requested to meet at the corner of Waverley road and Queen street at 7 p.m.

City Wrestling Championships

The city wrestling champienships, which were held on the large floor of the West End Y.M.C.A. Saturday night, were probably the best yet. The large number of spectators took a great interest in all the bouts, showing their appreciation at times by standing up and cheering. The referee, E. Chapman, cannot be given enough praise for the way he handled the men, Never before has there been such clean, good-natured wrestling.
