An Exception to the Rule--These Suits at $12.50

HARD-headed business men tell you that you never get more than you pay for---it takes an exception to prove any rule---and Hickey's Suits at $12.50 are the exception in this case.

OUR business code concerns itself more seriously with what we can give than what we can get ---that, in a nutshell, is the reason for the high value of these Suits at $12.50.

Other Suits $15 to $25

MOSS PARK HIKE WAS HUGE SUCCESS

The Moss Park hike, which was scheduled for yesterday afternoon, came off with great success. The boys left the club house at 2 p.m. and proceeded up the Don valley, inspecting the Bloor street viaduct en route. From there they proceeded to the old Mud Creek, exploring the hidden nooks of the old historic valley. A camp fire with roasted marshmallows completed the afternoon's fun. Taking a Toronto Street Railway Company jitney, after looking over the new government house, they arrived home hungry but happy.

The paper chase will start out from the club at 9 o'clock Friday morning. Three hares will lead the chase with an unlimited number of hounds on the trail. The Osler juveniles visited Moss Park yesterday afternoon to play a league game scheduled for indoors, but the weather and the field both being of the finest, the game was played out doors. The Moss Park boys by superior play led the visitors by a score of 13 to 4 at the end of the first half of the seventh, when the game was discontinued.

The inter-playground checker tournament will be held here this afternoon at 3 o'clock, and at 8 o'clock in the evening.

The billiard tournament also commences today, the Moss Park boys sending their representatives to McCormick, the hours being the same as for the checker tournament. The finals will be played at Moss Park Friday afternoon and evening.

SUED VILLAGE FOR CONTRACT BREACH

Contractor Failed to Recover From New Toronto for Sum Alleged Due.

CONSPIRACY CHARGE

Counsel for McCutcheon Brothers Make Application for Particulars.

At Osgoode Hall yesterday, Mr. Justice Clute dismissed the action of J. F. Curley against the Village of New Toronto, to recover the sum of $5453.55 for work done in the construction of a plant necessary for the completion of a system for the supply of water. Five thousand dollars damages was also asked.

The plaintiff alleges that the defendants brought to an end four contracts by failure to carry out their obligations thereunder, and by their requests and demands that the plaintiff should do the work different entirely from and in substitution for the work provided for under the said contracts.

The defendants claim that they were only to pay moneys on being supplied with engineers' certificates, and the plaintiff never produced them. They deny that the contracts were put to an end, and state that the plaintiff did not engage in any work outside the contracts.

"I find as a fact that none of the contracts have been cancelled or otherwise came to an end," said Mr. Justice Clute. "Where the evidence of the plaintiff is in conflict with that of the defendants, I will accept the testimony of the witnesses of the defendants in preference to the plaintiff's."

His lordship was satisfied that the plaintiff had made a mistake, and dismissed the action.

Sought Particulars.

Counsel representing the McCutcheon Brothers, the Calgary real estate men, committed for trial on a conspiracy charge, made an application to Mr. Justice Middleton for particulars of the charges which they have to meet.

It was sought to have the specific acts of conspiracy of which they are accused, and the names of the persons with whom they conspired. It was argued that the indictment had been badly drawn, and that it would be impossible in the present circumstances for the accused to obtain a fair trial.

On behalf of the attorney-general, Edward Bayly, K.C., claimed that a judge of the high court, unless assigned to try the case, had no jurisdiction to entertain the motion. The crown had no objection to giving proper particulars to proper subjects. He contended that the powers of the Ontario judges to deal with criminal charges were limited under the British North America Act to the scope given them by the statutes of the Dominion Parliament.

The matter was adjourned to see whether the opposing parties can agree without the necessity of the court dealing with the constitutional question of jurisdiction, which might have to go to the supreme court.

Writs Issued.

Arthur Laurin is suing Louis Geoffrion, St. Jean of Montreal for $15,000, alleged due under an agreement.

E. E. Hale has issued a writ against R. Score & Son, Limited, and Frank Score, to recover $5000 damages for alleged false arrest and imprisonment.

William Phillip, R. B. Rice and W. C. Tolton are being sued by Charles Millar for $17,456.19, balance of purchase money alleged due in connection with a Kent road property deal.

The second appellate court list for today is: Small v. Dominion Auto Company, Mitchell v. G.T.R., Peppiatt v. Reeder, Jasper v. Toronto Power Company.

FRANCE TO PAY FOR CARGOES SEIZED

Bill to Be Submitted to Parliament to Deal Leniently With Neutrals.

PARIS, April 7, 5.20 p.m.—The minister of marine, the minister of foreign affairs and the minister of finance are preparing a bill jointly which will be submitted to the French Parliament authorizing the government to pay for cargoes belonging to neutrals, which may be taken by the French Government in transit to belligerents.

The bill will contain an authorization to pay for the cargo of cotton on board the former Hamburg-American Line steamship Dacia, which was seized by a French cruiser while on a voyage from Galveston, Texas, for Rotterdam, and which was taken into Brest on February 27. The cabinet ministers desire a free hand in dealing promptly and liberally with seized cargoes.

CYMRIC NEAR WHEN FALABA WAS SUNK

White Star Liner Caught Call for Aid, But Proceeded on Voyage.

NEW YORK, April 7.—The White Star liner Cymric, carrying 345 passengers, was not more than fifteen miles fro mthe liner Falaba when the Falaba was torpedoed and sunk off the English coast with a loss of 112 lives, according to stories told by the Cymric's passengers on her arrival here today.

The Cymric caught the Falaba's wireless call for aid, but proceeded straight on her course, the passengers said. Capt. Beadnell explained he had specific orders from the British admiralty not to go to the aid of any vessel torpedoed for fear of endangering the lives of the passengers aboard his own ship.

SIGNS JOCKEY ARCHIBALD.

NEW YORK, April 7.—Jockey Archibald, a rider of excellent reputation, will ride the horses owned by the Canadian millionaire turfman, R. J. Mackenzie, this season. The latter's trainer, Canada Jack Adkins, recently signed the noted jockey to a contract. Archibald ranks as one of the best riders on the turf today, and the acquisition will give the Mackenzie stable added prestige. Archibald for the past three seasons has been under contract to Baron Oppenheim of Germany, owner of one of the most pretentious racing establishments in Europe. Incidentally, it was while in the employ of this German nobleman that the former well-known American trainers, James McCormick and John Hyland, died.
