EIGHT REMAIN FOR U. S. GOLF TITLE

Champions Ouimet and Travers Beaten by Young Players in Second Round.

DETROIT, Mich., Sept. 1.—Two worriors of the golf world were slain today in the second round of match play for the National Amateur Championship. Francis Ouimet of Woodland, Mass., holder of the national title, was decisively outplayed and beaten by James D. Standish, jr., of Detroit. The result was five up and four to play. Jerome Travers of Upper Montclair, N.J., who hoped to wear two crowns at the same time, was loser, two and one, to Max R. Marston of Springfield, N.J. Travers is the present open champion.

Winners of the other matches were: D. E. Sawyer of Wheaton, Ills.; Robert A. Gardner of Chicago; Nelson Whitney of New Orleans; Sherill Sherman of Utica; John G. Anderson of Mt. Vernon, N.Y., and Howard B. Lee of Detroit.

The conquerors of Ouimet and Travers are young men, both in their early twenties. Neither had previously won an important title, but each played today as tho the winning of a national championship was merely a routine effort. The golf which Marston showed on the homeward half of his afternoon round would probably have beaten any player on earth. He shot the last nine holes in 33, three strokes under par.

Standish was able to take deadly advantage of nearly every putting slip that Ouimet made. Poor work on the greens, more than any other factor of his game, was responsible for the champion's failure. Ouimet was one up after the forenoon play had ended, but was not able to win a hole in the afternoon.

The pairings for tomorrow compel the two Illinois stars to oppose each other when Gardner and Sawyer meet. Marston will play Lee, Whitney clashes with Anderson and Standish has Sherrill Sherman for an opponent.

LACROSSE ON SATURDAY.

All the star players will be in the lineups for the big lacrosse game at the Island Stadium on Saturday, which will just about settle the championship of the Queen City Lacrosse League. Rosedale supporters claim that the north-enders can win any time that they have Fitzgerald and Kalls in line, and up to the present they have been able to do so. However, Tecumsehs have Donihee back from Cornwall and Freddie Rountree on the defence, and the Indians played well enough last Saturday to give their rivals an argument under any circumstances, and with all their stars. Pro. lacrosse always attracts a large crowd of out-of-town enthusiasts during Exhibition time, and with the championship at stake on Saturday the crowd should be the largest of the season. The match will start at 3.30 p.m. and will be played rain or shine.

Before the lacrosse game, starting at 2 p.m., Judeans and St. Patricks of the Stanley Park League, will play a baseball game.

makes good friends everywhere because it has a flavor that is as delicious as it is different to the ordinary kind.

WAR CANOE RACE AT EX.

The annual war canoe race at the Canadian National Exhibition will be held on Labor Day afternoon at 3.30. The distance of the race this year will be half a mile and will take place directly in front of the Exhibition promenade along the sea wall. Entries have been received from the Balmy Beach crew, the Toronto Canoe Club and the Island Aquatic Association, the Parkdale Canoe Club and the Humber Bay crew. The prizes this year are three fine sets of silver cups for the first three crews, and a handsome shield for the club house of the winning crew. There is a great deal of interest in aquatic circles in the final meeting of the Parkdale crew and a hustling bunch of paddlers from Balmy Beach.

RUGBY

The London winners of the Dominion Junior Rugby football title last year at their annual meeting for reorganization did not decide on playing senior or intermediate football this autumn. Much depends on the grouping in each series, to be assured by the O.R.F.U. The officers elected were: Hon. president, G. M. Reid; president, W. Haddon; vice-president, J. Harry Fowler; secretary, E. H. Braund; treasurer, W. Bury.

Acting President Joe Wright of the Interprovincial Rugby Union, has sent out notices for the fall meeting at the King Edward Hotel here at 2.30 Saturday afternoon. All the clubs are ready to go thru the season, tho badly crippled by the drafts of war. Young players will fill the gaps.

Montreal Herald: The Montreal A.A.A. football section will hold a meeting within the next few days to decide whether or not to enter a team in the Big Four this season. Altho the Winged Wheel football team has contributed a heavy toll to war's demands, it is likely that a team will be formed. Argos, Tigers and Ottawas will line up some sort of teams, altho all have been hard hit by enlistment. The locals have the nucleus of a team, having still Art Brophy, Dick Saunders, Ken Barwick and W. I. Brebner, while of the linesmen Louis Morel, Belzile, Herscovitch and Abinovitch are still available. A coach will be needed, too, as "Sinc" McEvenue, the coach of last year, is at present in business in Toronto, and will hardly return this fall to act in his former capacity.

Ottawa delegates at the Interprovincial Union football meeting at Toronto next month will discuss a proposal to arrange a game between the pick of the east and of the west, funds to go to the Red Cross Society fund. Ottawa players plan to start practice at Lansdowne Park right after the Ottawa Exhibition.

Bell Telephone F.C. practice on Bracondale Park tonight at 6.30. A good turnout is looked for.

CRICKET

Altho the teams—and only a few of them at that—come together only in occasional friendly games, there has always been a certain amount of rivalry between the cricket clubs comprising the City and Church and Mercantile Leagues. Altho the grounds upon which they play do not permit of the C. and M. men making such good scores as the City League players, the former claim that, if carefully selected, a team of C. and M. men could be found equally as proficient with bat and ball as can be collected from the City League.

In previous years unsuccessful attempts have been made to bring off a game between the two leagues. This year, however, the promotion of a patriotic cricket match affords an opportunity for representatives of the two organizations to try conclusions. The match will be played at Varsity campus on Saturday, Sept. 11, and as the 10c subscription tickets are being readily disposed of, it is believed the game will be largely patronized.

The teams to do battle are as follows:

City League—E. Raven (capt.), J. Wilson, P. E. Blackwell (Riverdale club), E. H. D. Childs, R. C. Murray, L. Sampson (St. Barnabas), A. M. Ingles, S. Carter (Toronto), W. Paris, M. M. Moyston, F. G. Beardall, H. Roberts (Grace Church). Reserves—A. J. Greenwood (St. Barnabas), W. Delehunty (Grace Church), W. Cakebread (Riverdale), and W. J. Wilson (Parkdale).

Church and Mercantile—F. Muckleston (capt.), W. Muckleston, A. W. Sanders (St. Davids), S. Morton (East Toronto), T. Glass (West Toronto), W. Wakefield, J. Forestall (Old Country), F. Joy, J. W. Priestley (West Toronto), T. Wilkinson (Woodgreen), J. W. Stokes, E. Davis (St. Cyprians). Reserves—J. W. Chillman (Eatons), W. Lennox (Albions), and F. Seal (St. Matthias).

The Church and Mercantile team will have a practice game at Trinity College grounds on the holiday, and an 11 composed of members of the Albions and St. Matthias clubs having challenged them to a match.

Sporting Editor World: I would like to make a suggestion regarding the coming cricket match between teams picked from the Mercantile and the City Leagues, who will play against each other. The match would, in my opinion, be a much better success in every way were it made unique. By this I mean that the game be played with some curious feature in it such as they have in England. If the secretaries of the respective teams called for suggestions a very unique one might be gained which would make this game the success it ought to be.

T. R. Barford.

Bowling on the Green

is delightful if you have proper bowls.

We have in the past month corrected many pairs of imported bowls, giving the owners increased pleasure and interest in the game.

This should convince you that our bowls are just as good as imported ones, and they are considerably cheaper.

Why not buy a new pair and improve your game?
