

The Effect of Fire in Northern Manitoba.

The Honourable Sydney Fisher, Minister of Agriculture:—

*"It is high time that the man on the street, the average man who is interested in the business of the land, should take up this question, so as to understand it sufficiently, at all events, to induce him to give his support to the governments which are working in the direction of the conservation of our forests, and of the students and political economists who are pointing the way for those in authority to act."*
