Epic of Canadians in Northern Russia Months of Grim Fighting on the Dvina

Wherever they may be scattered on the alkied force out of its positions, as their return all Canada should know the epic of the Canadians who fought the Pussis Came.

A portion of them—the section which for convenience sake was known as the Elope Party—is again at home. The Elope Party was the 16th Brigade of Canadian Field Artillery which served under Colonel C. H. L. Sharman, C.M.G., C.B.E., under whose personal supervision it was recruited at Witley. Colonel Sharman's method was to pick the best officers he could find who had served under him in France. They in turn picked the best men who had served under them. In this way the personnel was the very finest.

The party started for Archangel in Several letters have accumulated within the last few days, which seem to require answers. In fact, it might

the key of the whole position. The Canadians went straight into action, fellows as you will find anywhere else in life. Their uniform may perhaps make one think otherwise, but why blame a fellow for the "get-up" his chief took to 60 years ago?

Teacher: Thanks for your letter. Yes, we certainly think that you folks need more more than 5,000, while a very moderate estimate of the Bolsheviks place their opposed to the little North Russian Expeditionary Force under General Ironside, formerly G.S.O. 1, 4th Cana-

Long Rearguard Action.
The Canadians had arrived only just before the winter "freeze up," and as it was held that offensive tactics were most suited to the very serious needs of the moment, the party pushed on to a point some 75 miles beyond the junction. Then from January until May began one long rearguard action. The Bolsheviks not only had weight of numbers but weight of guns on their side, and to save the situation three some prought down over the caradians. On this occasion the Caradians followed the structure of the volunters were brought down over the situation three caradians followed the structure of the volunters were brought down over the situation three caradians followed the structure of the volunters were brought down over the situation three caradians on the Caradians followed the structure of the volunters were brought of the wonderful work which had the office the wonderful work which had the postowed the structure of the volunters were the structure of the volunters were the structure of the volunters which had the postowed the structure of the volunters which had the postowed the structure of the volunters which had the postowed the structure of the volunters which had the postowed the structure of the volunters which had the postowed the volunters which had the vo most suited to the very serious needs Sir William? up-stream would inevitably enable the opposing fleet to get into action first. It was, therefore, obvious that the crisis would come during the days when the ice had not sufficiently meeted to enable the British fleet to come up to the allies' aid.

The ice broke, and the crisis came about May 5, on which dute the Bolshevik threw 5,000 shells into the allied good work, and to some extent checked the first from the Bolshevik fleet. But the orisis became still greater when the whole of the Russian force which was extensibly supporting the alles killed their officers and went over to the enemy.

A., the Liberal representative in the Ontario house for South Wellington, will again be a candidate for the legislature. Word to this effect has been received from Mr. Carter, who is now in England, by the official of the South Wellington Reform Association.

At a meeting of the Liberal executive held some weeks ago, Mr. Carter's candidature was endorsed, and a cable was sent him, asking him if he would again accept the Liberal nomination. Farmers had nominated J. Cockburn to contest the riding. An answer has now been received from Mr. Carter, who is now in England, by the official of the South Wellington Reform Association.

At a meeting of the Liberal executive held some weeks ago, Mr. Carter's candidature was endorsed, and a cable was sent him, asking him if he would again accept the Liberal nomination. Farmers had nominated J. Cockburn to contest the riding. An answer has now been received from Mr. Carter, saying the will stand for re-election. Mr. Carter and in the crisis would come determine the contest the riding of the Liberal representative in the contest to the legislature. Word to this effect has been received from Mr. Carter, who is now in England, by the official of the South Wellington Reform Association.

At a meeting of the Liberal representative in the crisis came to the series with the contest the received from Mr. Carter, who is now in England, by the official of the South Wellington Reform Association. to require answers. In fact, it might be said that our mail has been as heavy as a lot of people's feet when they step on the guy next to them.

Veteran: We do not think that the velocity are out to get proceeding for duty with the Dvina to require answers. In fact, it might the Bolsheviks were then threatening. On the way it shed two small parties, one detached for duty which was extensibly supporting the while while while the whole of the Russian force which was extensibly supporting the will stand for re-election. Mr. Carter, saying the with the railway and one for duty near solution of writing he was not sure that he would be able to secure passage for the received from Mr. Carter, saying the will stand for re-election. Mr. Carter, saying the will stand for re-election over to the enemy.

This threw the flank of Colonel of writing he was not sure that he whole of the Russian force which when the whole of the Russian force which when the whole of the Russian force which was extensibly supporting the proceeding from Mr. Carter, saying the will stand for re-election. Mr. Carter, saying the will stand for re-election over to the enemy.
