CITY PROTECTED IN EVERY WAY, SAYS MR. PHILIP

Can Refuse To Accept Proposal, Even After Bylaw Carries.

THE COMPANY'S ATTITUDE

Will Not Be Placed in Position of Being Turned Down by City.

Gordon Philip, commissioner of in-istries, in an interview with The Addustries, in an interview with The Advertiser today, makes it clear that there is a connection between the Ajax Rubber Company and the promoters behind the bylaw here. The city is absolutely protected in every way he states.

"The city council received from the Ajax Rubber Company, Inc." of New York, before negotiations were started, the credentials of those responsible for the organization of the Canadian company in all matters pertaining to the factory in Canada," said Mr. Philip. "The United States company, the council are fully aware, are not actively in-Won't Be Turned Down.

Won't Be Turned Down.

"The United States company will not place themselves in the position of being turned down by London or any other city. If the bylaw passes—that is the bylaw now being drafted—the city will be fully protected and can refuse to guarantee the bonds unless they—the city—are absolutely satisfied with the personnel of the company, which will control the Canadian commany and control the Canadian company and operate the Canadian plant.

Power to Refuse.

"The city runs no risk whatever in this connection. They have power to refuse to guarantee the bonds if they

Girls Ready To Pick Berries But Farmer Didn't Come

City Girls Waited for His Coming, Then Went To Another Place.

One fruit farmer in Byron district long together before the Detroit lad long together before the medical long together before the Detroit lad long together bad decided to accompany the other overseas if it were possible to do so. That night he went before the medical board, and was pronounced fit, so he wired the firm with which he had a responsible position in Detroit, that he was leaving for service at the front, and would not be able to return to Detroit.

At 11 o'clock on Sunday morning he was vaccinated and inoculated, and he was vaccinated and inoculated and inocu

BULLDOG AS SHE
TRIED TO SAVE PET

No serious results are anticipated from injuries which Mrs. Wm, Adams, 727 Queen's avenue, received when she was bitten on the forearm by a huge bulldog at a band concert in Queen's Park Tuesday night. Her arm was pending against Albert C. Kaltschmidt, in connection with plots to destroy various public buildings in Windsor and other places, as well as planning to blow up St. Clair River tunnel at Sarnia. The indictment involves three separate counts, on all of which the defendants stood mute when asked to plead. The court ordered a plea of "not guilty" to be entered, and bail was not fixed, as Kaltschmidt has been unable to furnish bondsmen on previous indictments now pending against him.

The defect of the resignation to take effect on September 1. Mr. McKellar has been offered, and has accented, the position of lecturer in French at University College at the University of Toronto. The resignation came as a surprise. Principal Court ordered a plea of "not guilty" to be entered, and bail was not fixed, as Kaltschmidt has been unable to furnish bondsmen on previous indictments now pending against him.
