LESS PAGEANTRY AT LORD MAYOR'S SHOW

ession of the newly elected Lord Mayor of London, participated in by he dignitaries of the municipal cororation, wended its way thru the reets of the metropolis today folwing the formal induction of Al-rman James Roll into the office

customary pageantry, which had en curtailed in the plans for the Stock Sells in Montreal Marnial owing to the uncertainties wer conditions brought about by the recent coal strike. Nevertheless, thousands of people crowded the streets to watch the parade.

'The procession started from the Guildhall with the Lord Mayor oc-

of state, attended by gorgeously livered servants and preceded by uniformed trumpeters. Other carriages contained the retiring lord mayor, Sir dward E. Cooper, the sheriffs, alder-en and other city officials. The

past the ancient tower of the Nelson monument and . Paul's Cathedral to the law courts, here the customary official reception y the judges was held. After this marchers returned to the Guild-

the marchers returned to the Guildball and dispersed.

Tonight will be held the customary
banquet at the Guildhall where, in accordance with time-honored usage,
the cabinet ministers will be the chiefguests. Premier Lloyd George will
deliver an address, and may follow
the precedent by using the occasionfor making important ministerial
statements.

OTTAWA RIVER LEVEL WORRIES MANUFACTURERS

Ottawa, Nov. 9.—The low level of water in the Ottawa River is still a matter of concern to manufacturers. The J. R. Booth paper mills are working much lower than normal capacity. General rain today thruout the Ottawa Valley, however, is expected to bring further relief.

Good Judgment After Eating

Giving the Stomach the Alkaline Effect by a Stuart's Dyspepsia Tablet is Worth Remembering.

You cannot, as a rule, say in advance that this, that or the other food will cause indigestion. Exper-ience has taught most people that

even mince pie fits snugly at times, while at others a glass of milk raises hob with the stomach. One good rule to follow is the preventative measure of taking one or two Stuart's Dyspepsia Tablets after meals. You thus avoid gassiness, sour stomach, heartburn and such distresses due to indigent on the stomach. hess, sour stomach, heartburn and such distresses due to indigestion or dyspepsia. These tablets also help to digest the food by giving the stomach the alkaline effect to offset acidity; they relieve the distress when the mince pie or milk should be more than a stories of the stomach of the stomach of the distress when the mince pie or milk should be more than a stories of the death at Sas-kafoon, Sask., of Rev. small gains.

It is now generally conceded that the worst is over on the local stock market and that its undertone is now much better than for some time past.

AND NURSES KILLED

Brutally Murdered During a Raid of the Bolshevik Cavalry.

as a captain, along with a number of other United States citizens, and saw several months of active service on the Lithuanian-Bolshevik battle front. When the fighting ended, he asked for his discharge, and returned to Paris to join the American Red Cross in 1920, and he was ordered first to Constantinople and then to southwest Russia.

"Kilpatrick was last seen at Novo Alexeievsk on October 30, stripped to his underclothes in bitter zero weather, and being led away by Red cavalry raiders," said the state department's deavor to prevent the presentation on local stages of animal acts, public exhibitions of deformed children and a London report of the captain's death exhibitions of deformed children and was received.

TOSCHA SEIDEL GIVES A RECITAL TOMORROW

Toscha Seidel, young Russian violin virtuoso, gives his recital tomorrow night in Massey Hall. He has established beyond question a foremost place for himself as one of the world's greatest violinists, altho twenty years old, and consequently a large audience will hear him. This will be the third within twelve months that he will have been heard in this city.

Germany Has Handed Over

£30,000,000,000 in Gold London, Nov. 9.—Germany has de-ivered to the reparations commission bonds to the amount of 60.000,000,000 gold marks, the value of which is approximately £3,000,000.000 at the present rate of exchange. This announcement was made in the house of commons today by Austen Chamberlain, chancellor of the exchequer.

The delivery of the bonds is in accordance with the variancement. The penitentiary commission, composed of W. F. Nickle, K.C., Col. O. The delivery of the bonds is in accordance with the requirements of the peace treaty, and the commission proposes to hold them as security for and in acknowledgment of Germany's debt.

the duties of warden.

The penitentiary commission, composed of W. F. Nickle, K.C., Col. O. M. Biggar and P. M. Draper will open its sitting in Kingston at the court house on Thursday.

Shannon, aged 45 years, was fatally crushed last evening in a traveling crane at the plant of Canadian Steel Foundries, Welland. It is believed his home is in Trenton.

ON PARLIAMENT HILL RED AGENTS USE **UNDERGROUND ROAD**

Rotterdam, Nov. 9.—Holland has established a great cordon along the German frontier to prevent the influx of large numbers of Russian Bolshevik of large numbers of Russian Bolshevik agents from Germany. Heavy guards are maintained so that persons wishing to cross the boundary in either direction must pass thru frontier posts and over recognized highways. Those who attempt surreptitiously to cross run the risk of being shot.

Stock Sells in Montreal Market at Lowest Level of the Year.

Montreal, Nov. 9.—(Canadian Press)—Under the re-assuring over-night news to the effect that money for the local stock market would be forthcoming, the exchange this morning displayed a strong tendency to rally, gains in the earlier dealings running process and strong tendency to rally, gains in the earlier dealings running process and strong tendency to rally, gains in the earlier dealings running process and strong tendency to rally, gains in the earlier dealings running the strong tendency to rally, gains in the earlier dealings running tendency to rally, gains in the earlier dealings running tendency to rally, gains in the earlier dealings running tendency to rally, gains in the earlier dealings running tendency to rally, gains in the earlier dealings running tendency to rally, gains in the earlier dealings running tendency to rally, gains in the earlier dealings running tendency to check the movement of soviet alled, however, to check the movement of represen

Police Surveillance Useless. Police surveillance is attempted in Hamburg and some other German cities, but it usually comes to nought, stock and the unmet calls for margins which were reported to be fairly numerous, together with the pronounced weakness on the New York Stock Exchange proved too much for the list in later trading and not only were most of the earlier advances yielded, but many of the most active stocks ended the day moderately below yesterday's impaired levels. pation, where they seem to move with-

out restraint.

The "underground railroad" is utilized by soviet agents to bring into Holland Bolshevik "missionaries" who Atlantic Sugar fell to the lowest level of the year, 39½ and closed at 40, down 6½ points net on yesterday's closing, after rallying to 48 in the early morning. On the whole, however, net losses were insignificant compared with yesterday, whilst several of the paper stocks finished with small cains.

Reports have been received here that many Bolshevik sympathizers who were last year deported as undesirables from the United States are to be returned to that country. Police officials assert a special bureau has been created here to take care of this class of 'emigrant," and carry out carefully laid plans for getting the agitators back into the United States.

MEIGHEN ANNOUNCES POLICY ON RAILWAYS

(Continued From Page 1).

London, Nov. 9.—Captain Emmett
Kilpatrick, representative of the American Red Cross in south Russia, and two nurses were brutally killed during a Bolshevik cavalry raid on Salikovo station, says a Sebastopol despatch to Reuter's, Limited, tonight.

Heard He Was Captured.

issue. "I am asked," he sald, "if we are so intoxicated with the prospect of government ownership that we shall eventually take over the Canadian Pacific. My reply is, that while that system is operated as efficiently as it is at this time, it constitutes in many ways a model for us to follow. It is better the way it is than embodied in any government system. Our task is issue, "I am asked," he said, "if we Heard He Was Captured.
