

I attend at the school at Gold River, about 2 miles distant, where are generally 20 or more collected; the same duty is performed and the Evening Service of the Church read. Every fourth Sabbath in the month, the Rector of the Parish or the Revd. R. Payne visit us and Divine Service is performed in each school house by them. I feel desirous, with the assistance of the divine blessing, to do all in my power to instil the principles of religion in the minds of the rising generation as far as the Lord has granted me ability, and earnestly, to implore a blessing on my weak efforts, to the advancement of His Glory, and the good of the Church, being assured that without the divine assistance, I am unable to do any thing that is righteous in his sight.

I am, in duty, yours, &c.

Rev. T. DUNN, Halifax.

JOHN THOMAS,
Teacher.
