GOOD THINGS COMING TO THE THEATRES OF ST. JOHN

"Cap" Plunkett Himself In This Year's Show

Captain M. W. Plunkett, or "Meri," as he is better known to his many friends in Canada, is making his first public appearance as an entertainer since the old days in France, in his "Dumbells" revue, "Carry On," which comes to the Imperial June 6 and 7. His return to the footlights after four years of attending strictly to the managerial and production end of his company, is about in an unusual way. Last summer he wrote a song called "Come Back Old Pal" which was popular. He decided to put it into the next new "Dumbells" show. When rehearsals started for "Carry On" he tried out several boys in the number, but none of them seemed to get the exact idea of what he wanted to "put over" in the song. Finally he went back stage and asked the musical director to play it over while he demonstrated what he wanted brought out in the song. When he had finished the first verse and chorus there was a burst of applause from the boys who insisted that he both keep the song in and do it himself.
