## AN OPERA STAR.

New York, Nov. 12.—They do say in Walkerville, L. N. B., that "Little Eleanor Painter" was the life of the husky being round Walkerville—everybody was glad when she got the red car of corn, and everybody was especially happy when she sang.

People are still happy when Eleanor Painter sings; they have been paying good money to hear her sing in Berlin and Munich, and now New York is interested because Andreas Dippel has brought the little Iowa girl over from Berlin to sing the prima donna role in his new opera, "Die Domino."

## LOCAL BEEF SITUATION

Local wholesale meat dealers are not inclined to think that the embargo placed upon cattle to or from the United States will lower the price of beef in St. John. They do not expect to see any change in the price of beef, although there will be no shipments of cattle under the embargo. On Wednesday a large shipment of cattle from a local dealer to the New England market was turned back at the border and was wanted to change its colour by a German submarine on account of the fighting ahead.

This would be one reason why the embargo would not be so keenly felt here and another reason was that the number of cattle in the province was limited because American buyers had been taking all they could get and shipments to the states, particularly by the New England market had been heavy. Since there is no duty on the dressed beef, they say there is likely to be considerable trade in this connection, so that no more than the regular quantities will come to the local market.

## WAR NOTES

A report reached London yesterday from Stockholm that a battle was raging in the Baltic Sea and that a Norwegian schooner, master had been wanted to change its colour by a German submarine on account of the fighting ahead.

The Japanese have a squadron of whole bodies patrolling the Pacific in search of German ships. General Botha is reported to have decided to send a number of troops under General DeWet in the Orange River Colony, and taken 250 prisoners.

It is reported that Canada intends to send a squadron of troops to the United States, the move being hastened by the success of the Australian cruiser Sydney.

The Duchess of Cornwall has issued an appeal in behalf of the Red Cross, asking that a fund be organized in Canada to help fit them with special vehicles for service with the medical corps at the front and expects to leave for England very soon.

## MINES SCARE LOBSTERS.

England May Have to Get Supply From States.

London, Nov. 13.—It may be necessary to look to the future for the fish market here to import lobsters from America, as the presence of mines in the North Sea is said to have greatly curtailed the supply, while the frequent explosion of mines had so greatly affected the lobster trade that it is believed they have deserted some breeding places there.

In the Grimsby fishing trade more than a score of trawlers have been lost as a result of mine explosions and the greater proportion of the crews drowned. John are half a dozen trawlers overdue. It is estimated that in boats alone the Grimsby trade has suffered to the extent of \$600,000, most of which is borne by local insurance.

THIS "GERMAN SPY" FOUND TO BE EX-MAJOR

Welland, Nov. 13.—By the detention of James Driscoll by the police and military authorities at Welland on the suspicion that he was a German spy, it was found that he was an ex-Major of Geneva, N. Y. He came to Welland some weeks ago and has been staying at the Dexter House. He had no apparent business in town and did not make any friends. He had nothing to say about himself and so suspicion grew. Investigation, however, showed that his real name was Abernethy and that he was for four years mayor of Geneva. At the present time he is being sued for divorce and his attorney advised him to seek some quiet place in Canada where the papers could not be served. He was released from custody.

North End Concerts.

The members of the League of Chosen Friends last night conducted a most enjoyable pie social concert in Temple Building, Main street, the proceeds of which were for the city poor. About \$50 was realized for the charitable purpose. Commissioner Potts was auctioneer of the pies. Those taking part in the pro-

## HAND MANGLED

Zam-Buk Heals So Quickly, it Saved a Worker Three Weeks' Wages

Mr. Hebert Hoghen, 888 Beverley St., Winnipeg, writes: "While at work my hand was caught between an iron bar and a revolving belt, and three fingers were very badly damaged—indeed, almost torn off. The doctor who dressed the injury advised me to use a certain preparation, and I did so, but the healing was so slow that I decided to try Zam-Buk.

"Just one week after I began using Zam-Buk my fingers were so far healed that I was able to go back to work, although the doctor said it would be at least a month before I would be able to do so. Zam-Buk thus not only healed my wound, but did it so quickly that it saved me three weeks' wages. I heartily recommend Zam-Buk for all cuts, wounds and injuries."

The above is but one of the numerous instances where Zam-Buk has saved money for those who give it a fair trial. Apart from that, look at the hours of suffering it does away with. Accidents will happen; you cannot tell at what moment your turn will come. Be prepared! Keep Zam-Buk always handy. It is the best "First Aid." As soon as applied it soothes the pain, kills the germs of blood poison and quickly heals the injury. Just as good for skin diseases.

If you suffer from eczema, cuts, burns, bruises, cold sores, chapped hands, ulcers, piles, scalp sores, eruptions, or any skin disease, give Zam-Buk a fair trial. Refuse substitutes. Zam-Buk is entirely different from other ointments, and there is nothing "just as good."

At all druggists and stores, or post paid from Zam-Buk Co., Toronto, on receipt of price, 50c. box, 8 boxes \$1.25. For free trial send name and address, to stamp, this advertisement, and name of paper.

gramme were Mrs. Thos. Parker, Mrs. Barnes, readings; Mrs. L. M. Current, Miss Climo, Mrs. Murray Long, and a piano solo by Mrs. Thompson. Mayor Frink gave an interesting address.

In honor of two of their members, George Todd and Murray Cowan, who are with the first Canadian contingent, a patriotic concert was given by the Alexandra Temple of Honor last evening. Among the numbers on the programme was an address by Rev. J. McCaskill, solo by Miss Climo and duet by Miss Gallop and Mr. Belding. The temple band played several selections.

## YOU CAN'T EARN MONEY WHEN YOU'RE LAID UP

There are a lot of people in this town who cannot afford to be sick. Perhaps none of you feel that you can, but certainly some of you can't, for as soon as you are sick, you stop working and your money stops to pile up. The sensible thing for you to do, as soon as you feel run-down and tired out, no matter what the cause, is to take something just as quick as you can to build up strength and health. Make yourself more comfortable and provide against serious sickness.

We don't believe there is any other medicine made that will do as much towards saving your health and thus helping you save your money as Reckall Olive Oil. It is a medicine that gets right at the trouble and relieves it by toning the nerves, enriching the blood, and giving new strength and health to the whole body. It doesn't do this by means of alcohol or habit-forming drugs, because it contains none. Its strength and health-giving power is due to pure Olive Oil and the Hypophosphites, long endorsed by successful physicians, the one for its food value, the other for its tonic value. Here, for the first time, they are combined, and the result is a real nerve, blood and body-building medicine—a real strengthener that we are proud to tell you about. You don't need to hesitate in using it, because it doesn't do all we say it will and satisfy you in every way, it will cost you nothing. If it doesn't make you strong and well again, come back and get your money. It will be given to you without word or question. Sold only in the more than 7,000 Reckall Stores, and in this town only by \$1.00.

The Reckall Stores 100 King St., 473 Main St., and 599 Main St.
