Clear Night Streets of Boys and Girls

Another Warning From Police Court—Seven O'Clock is the Hour—Violations May Bring Arrests Tonight

In going into juvenile court this morning, Police Magistrate Ritchie read the following warning:

"The federal law forbids night-walking, and the provincial statute forbids persons being in the streets after certain hours at night. During four months the hour is 7 p.m. Boys and girls found in the streets after 7 o'clock tonight or any night in the next few months may be arrested by the police.

Fathers and mothers, take notice! Remember the place for your children, particularly your daughters, after 7 o'clock is HOME. There are today five boys and five little girls in custody for crime which might not have been committed had fathers and mothers done their duty."

Father Mayo, the missionary, is a fluent speaker and at once interests his hearers of all ages. He is particularly attractive to children at every afternoon service, while a feature of all gatherings is the singing of well-known and favorite hymns.

Of Interest About Viyella Flannels

We invested upwards of two thousand dollars in Viyella Flannels on the 5th of January. On the 5th, or two days after our fortunate purchase, the makers advanced their price to \$1.10 a yard, fixing the price from that date to all buyers.

We will not change our price, and now offer the whole stock secured at the old price fixed some months ago, viz., \$1.25 a yard.

Thus you can buy from a wide range of patterns, colors and white, as long as the stock lasts, at only 15 cents over makers' price.

We question if any firm in Canada can furnish such a stock at the price named by us in such variety and quantity.

VIYELLAS are the best goods produced, and will be found the most durable wool goods on sale this season for Children's Dresses, Ladies' Waists, Summer Skirts, Outing Dresses and Coat and Skirt Suits. Plain white, grey, blue, black and white stripes; also in checks, plain light colors, etc.

Secure your Spring and Summer requirements of Viyella NOW.
