Sir:

Re: L 64403 Pte. Keewatin, R.
12th Infantry Training Division
A Company - Dundurn, Sask.

I wish to report that the above named Soldier's
Father accidentally cut his right foot while chopping wood
and had to be admitted to the Qu'Appelle Indian Hospital,
Fort Qu'Appelle, Sask. He is still a patient here. This
will account for this boy not returning to camp at the
expiration of his leave.

Yours truly,

A.B. Simes
