# A LUXURY AT THE PRICE OF **NECESSITES**

ELECTRICITY for lighting and power was at one time considered a luxury. It is still a luxury, but owing to your own company, the Hydro, it is selling at the price of necessities.

If you want fur ther particulars about Hydro-

If you want to keep these prices at their present low level-it is up to you as stockholders in the company. to patronize your own.

Remember this when considering changes or making contracts for either light or power.
