CAUSED BY REPORT OF RAILWAY BUILDING

A Number of Victorians Have Recently Acquired Large Holdings of Real Estate.

The plans of the Northern Pacific Railway Company to construct a line to Port no steps to prevent the outrage. action has put an end to the agitation | Angeles is a matter of deep concern to many Victorians. For years there has been a large amount of Victoria capital invested in that city. It was expended in real estate at a time when it was sup-posed that the Union Pacific was going to enter the place. This was some fifteen the night, are to the effect that the fighting and bombarding of houses, which ceased about midday on Monor sixteen years ago. The town was boomed, but no railway enterprises of day, was resumed late in the after-any kind ever matured. Depression in the real estate market immediately followed, with serious consequences to scores of Victorians. It was stated that residents of this city pretty nearly owned and Polish populace deliver up to him the members of the Jewish Self-Defence Association. The Bundists, pre the place, and this was not far short of being true. When the depression came holdings could hardly be disposed of, but many who could afford to do so held on to what they had, and now, since the lit is not known if the fighting still to what they had, and now, since the announcement has been made that the tend connecting with the port hopes have again gone upward. Several of those because the authorities absolutely forporty in Los Angeles have bid all communication and turn back ecently acquired more, and are more all correspondents, etermined than ever that their fortune At Rudgusowska will be made in it. Relative to the rail- Warsaw, scenes similar to those enway construction now contemplated a story in yesterday's Seattle Post-Intelliacted at Seidlee were witnessed. The soldiers are said to have killed forty gencer says in part:

Shipping Appeal

The Exchequer Court yesterday began the hearing of the case of Bow and Maclachlan against the ship Camosun. The plaintiffs built the ship at Paisley, Scotland for the Union Steamship Co. for £28,000 to be paid in instalments. The first was paid in full and the plaintiffs took proceedings for the balance in the admiralty. court released the ship on bail. The defendants have a counter claim for Col. Sir Howard Vincent Has Arrived striking out of the counter claim hence the appeal to the Exchequer Court.

To Construct Dam.

The time for receiving tenders for work at St. Andrew's rapids was up yesterday. Tom Kelly, of Winnipeg, one of the tenderers, is in the city. The contract is to construct a dam so as to give navigation from Winnipeg and Red River through to Lake Winnipeg.

The Crop Report.

Dr. Wm. Saunders, director of the experimental forms, telegraphs to the deputy minister of agriculture form Humbolt as follows: "Have seen the crops from Calgary to Edmonton hence to Lloydminster. Battleford and Saskatoon, also to Prince Albert, Mel fort, Warman and Humbolt. Wheat all saved in good condition. The crops average well and the grain is of fin condition. No injury from frosts. Threshing is now proceeding rapidly. Weather very favorable." From Calgary to Edmonton (Northward) ie about 175 miles, from Edmonton to Saskatoon (Eastward) and from Saskatoon to Prince Albert (Northeast-Work for Mills at Essington and Port ward) and down to Humbolt about 500 miles.

BOARD OF TRADE.

Addresses Before the Council of That Organization This Morning.

The council of the board of trade met Tuesday forenoon. The meeting proved a very interesting one from a commercial standpoint. Two gentlemen appeared before the council and addressed the members on matters affecting

this city's welfare. G. Jones, with whom an interview appeared yesterday afternoon, in his address pointed out the importance which it would be to Victoria to bring to the attention of the manufacturers of the East, who would soon be visiting the city, the possibilities for trade. The Great West Permanent Loan & Savings Company, which he respresented, were interested in extending
