FIRE AT BEAVER CREEK UNDER CONTROL

Realty Changes Hands in Alberni-Disappearance of Landmark.

Alberni, Aug. 15 .- The long spell of steady rain which fell for half a day on street. Tuesday. So dry was the soil that the moisture did not penetrate more than a uple of inches into the ground. It helped, however, to check the bush fires which were causing considerable trouble to the fire wardens. J. B. Wood reports having got the fire in the Beaver Creek district well under control now. This was originally started by a settler clearing land who had taken what appeared to be every precaution to guard against the fire getting beyond rol, but a sudden change of wind which increased in force, for a time endangered his barn and threatened to assume large proportions. Assistant ter, Mrs. House, 1735 Davie street, of Fire Warden Miles has also been busy Mrs. Mary Ann Joyce. The late Mrs. the neighborhood of Sproat lake, where a fire, supposed to have been started by some careless fishing party, a resident of Victoria for the past seven caused a good deal of trouble.

Realty Deals, G. A. Smith, C. E., has begun the subion of lot 167 in the Cherry Creek Valley. One hundred and twenty acres of the lot will be subdivided into five acre blocks, some of which have already been sold. R. F. Blandy, P. Sullivan and T. Rowley own interests in property.

The sale is announced of a house and two acres, the property of A. L. Smith, to W. T. Hodson. The price is reported to be in the neighborhood of \$1,000. There is a desirable orchard on the property which is well situated. A number of lots in New Alberni have also changed hands.
