CONFERRED WITH

FOR BETTER DRAINAGE AT JUBILEE HOSPITAL

Board of Directors Explain Comprehensive Plan Prepared by Them-They Want Assistance in Project.

A conference was held vesterday af- ment, ternoon at the city hall between a special committee of the board of directors of the Provincial Royal Jubilee hospital and the city council, to discuss the subject of improved drainage facilities for The mayor here reminded the meetin ject of improved drainage facilities for armed with a very comprehensive plan. President R. S. Day, H. D. Helmcken as to its passage and others. During the conference the discussion broadened considerably, and the efficacy of the septic tank system was questioned by Dr. Fagan, of the provincial board of health, who was present. The doctor contended that its establishment in this city was unnecessary in view of the almost perfect sewerage system Victoria already possessed, which only required elaboration and im

There were present His Worship the Mayor in the chair, and Aldermen Bryliams and City Clerk W. J. Dowier, and Messrs. R. S. Day, C. A. Holland, H. D. Helmcken, F. Pemberton, Thomas Shotbolt, Jas. Foreman and Secretary representing the board of directors. Dr. Fagan, secretary of the pro-

adopted the septic tank proposal must be approved by the provincial board of health.

There was a great deal of uncertainty about the tank system. Filter beds may not give satisfaction, and he thought it needless expenditure to install them here. The city had a sewerage system almost perfect, and the speaker was of the opinion that the main sewer leading to Clover Point was sufficient for a city larger than Victoria.

Ald, Cooley pointed out that there

cause of complaint, otherwise it will

the septic arrangement, Alds. Brydon, Yates and others championing the system, holding that it was highly important that something of the kind should be established here in order to give this city complete adequate sewerage facili-

Finally the discussion returned to its original channel. Mr. Helmeken pointed out that it had been the intention to entarge the hospital by the erection of a children's ward, a diet kitchen, and the extension of the paw patients ward. In wiew of these circumstances the sewer-

age system to be inaugurated should be age system to be inaugurated should be as complete as possible. The hospital THE CONSPIRACY board had decided that steps should be isfactory. Unfortunately they had not the funds to carry out the comprehen-sive scheme contemplated, and they did not feel like extending the institution until they were assured that an adequate ewerage system would be installed then within the next six months. He thought ALLEGED DETAILS OF that the citizens would appreciate the importance of the matter and endorse

Mr. Foreman was of the opinion that oint action on the part of both the city and provincial government might a complish the necessary. Part of the drain complained of came under the jurisdiction of the provincial govern-

Mr Holland suggested the construction tion of a drain from the hospital around the south side of Government castle hill, and by that route to connect with the Yukon:

the institution. The committee were that in a short time the septic by-law t which was explained in detail by Vice-

aldermen and Dr Fagan the conference A Modern Scourge.

MORE TO BE DREADED THAN AN OUTBREAK OF SMALLPOX.

No Epidemic in the Last Quarter of a People as Annually Fall Victims

L'Avenir du Nord, St. Jerome, Que. Throughout Canada much alarm has Yukon with the first warm rays of the been felt during the past few months at vincial board of health, and Dr. Her-mann Robertson, municipal health officer. curred in various localities and thou-son in the winter of 1900 the Order of After explaining the object of the consands of dollars have been expended—the Midnight Sun, as it was termed by ference, the mayor invited the commitant and rightly so—in suppressing it. And Vice-President R. S. Day explained suffers from a plague that claims more branches reaching even to Circle City that a few months ago Dr. Fagan divictims annually than have been carried rected the board's attention to the fact off by any epidemic during the past that residents in the vicinity of the quarter of a century. Consumption—the bospital had complained of the unsanitary condition of the box drain on Cadbox Bay road, which received the drain—victims throughout Canada are number—the fermious of the White Pass age from the hospital. It was pointed ed by the thousands annually, and & Yukon route, boasted of a camp early out that the drain in question was the through its ravages bright young lives in the present year, and smaller lodges city's, and unless better facilities for in every quarter are brought to an un-drainage were afforded the hospital the timely end. Why? There are two rea-City and Atlin, B. C. The headquarters nuisance could not be abated. The city sons, the insiduous character of the diswas confronted by two alternatives—
it must either provide adequate drainit must either provide adequate drainfor the first few months of the year
for the grant and others.

The meeting broke up about 11 o'clock,
after which the evening was devoted
to dancing, which was kept up until an nuisance could not be abated. The city sons, the insiduous character of the dis- of the organization were located at age or Dr. Fagan would prohibit the use foredoomed to an early death and that along the opper taken, but the most that can be done is to give with such secrecy that few persons out tiful Danube; mandolin solo, Signor Alearly hour this morning. contingency dump carts would have to the loved ones temporary relief in the side of those intimately associated with tavilla. journey towards the grave. This is a the first organization of the order knew The board considered that the only great mistake. Medical science how anything whatever of its existence, remedy was to inaugurate the septic knows that consumption, when it has Before a man was taken into the be remedy was to inaugurate the septic knows that consumption, when it has tank system of drainage for the hospital. Not reached an acute stage, is curable, he was first thoroughly tested and the was first thoroughly the was first thoroughly the was first thoroughly the was first thor that the council would assist them in their efforts to install a satisfactory system. In turn the board could assist the council to secure the passage of the bylaw dealing with the septic tank system. What the board proposed was to trem. What the board proposed was to tem. What the board proposed was to the disease is curable, is Mr. Ildege St. George, of St. Jerome, One Illis story a difficult matter to obtain, and every and was well received. that the council would assist them in ers from weak lungs who will clothe ministration and the government gener- solo by Signor Altavilla was perhaps the drainage system and to install one thoroughly efficient.

They had prepared a plan which included the septic tank, flushing tank and filter beds, the cost of which would be ferers. Mr. St. George says: "Up to the septic tank could be considered age of fifteen years I had always entered at Calbert Pay and where it lived the best of health but at that the disease is curable, is Mr. Ildege St. trance to the organization was at next a difficult matter to obtain, and every possible precaution was taken to prevent the fact from becoming known throughout the country that such an order extinction.

Tables laden with great ability, and was well received.

All through the evening refreshments were at the disposal of those present. Tables laden with all the delicacies of the season had been provided and, need less to say were taken advantage of by Co. has stated that there are many large. structed at Cadbora Bay road, where it joyed the best of health, but at that could receive the drainage from the hos-

and could not be accomplished without assistance.

Dr. Fagan remarked that he could not independent of the septic tank to be. Its efficacy was not fully established, and he felt assured that it was unnecessary in consideration of the fine drainage facilities possessed by this city. Before being adopted the septic tank proposal must be approved by the provincial board of the approved by the provincial board of the assistance.

The romentation of the fine drainage facilities possessed by a sign was placed outside of the building reading as follows: "Alaska former in the Yukon valley.

A sign was placed outside of the building reading as follows: "Alaska farmer in this seemed to mark the change which brought about my recovery, for which brought about my recovery, for which brought appetite came gradual but surely increasing strength. I continued the use of the pills, and daily felt the weakness that had threatened to end my life disappear, until finally I was again enjoying good health, and now, as those who know me can see, I terior of the country. The Canadian powers are sixting government in the Yukon valley.

A sign was placed outside of the building reading as follows: "Alaska-Yukon Forwarding and Commission. Agents." Under cover of this sign the occupants of the building, H. Graehl and Reception, Rev. C. Esnor Sharp, W. M. W. T. Phillips, S. W.; R. Rankin, J. W. W.; and S. Matson, The hall was hands to end my life disappear, until finally I was again enjoying good health, and now, as those who know me can see, I terior of the country. The Canadian powers are rement in the Yukon valley.

A sign was placed outside of the building reading as follows: "Alaska-Yukon Forwarding and Commission. Agents." would have to be constructed to the refuse from the Fenians Lacked Nerve and Wilted When They Found the Authorities Were Watching Them.

> The Seattle Times of yesterday gives what purports to be the facts in connection with the threatened uprising in the

and by that route to connect with the Coole street main.

The mayor here reminded the meeting that in a short time the septic by-law would be again presented to the rate-which were obtained from one of the quarters at the latter place, conducting ringleaders in the plot. Copies of these documents and papers are reproduced, as well as facsimiles of the seals of the organization which was formed for the confessed purpose of wresting the gold-bearing country of the Far North from by the leaders in the Order of the Midthe control of the Canadians.

The organization was formed in December, 1900, at Dawson. Its headquarters for months last summer were at Skagway. It was called the Order tempts at filibustering, while the Mountof the Midnight Sun. Its members took a hair-raising oath to reveal none of its would-be revolutionists. The Canadian secrets. Death was the penalty for violation of this oath. It might have sucance of the matter and it is believed ceeded temporarily, as did Riel when he invaded the Northwest Territory with a Century Has Carried Off as Many band of half-breeds. But the leaders of the conspiracy lacked the requisite nerve Some one "leaked" and the organization, it is believed, will disappear as quietly and completely as do the snow banks along the reaches of the Uppe

sun in May. From the nebulous gathering in Daw yet year in and year out this country the length of the Upper Yukon, with

could receive the drainage from the hospital. After passing through the tank there could be no objection to it being carried away in a box drain.

Mayor Hayward observed that the scheme which was recently submitted to the ratepayers provided for a septic tank to be placed about the spot menprehended an improved system for the hospital in general.

Mayor Day gaid that the board's archive. Mr. Day said that the board's architect recommended that they construct their own septic tank, but such an undertaking would be an expensive one, and returned home feeling that the dertaking would be an expensive one, and returned home feeling that the canadian government and to lay such plans as were possible success of the affair are largely due to the control of the representatives of the organization of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two of the representatives of the organization was rented in Skagway and two organizations are rented in Skagway and two organ and could not be accomplished without then that my parents decided that I should use Dr. Williams' Pink Pills, and armed revolt against the existing gov-

Seattle, where he is now.

As far as is known at this time, the Mr. Wells on his recent visit to Montarger than Victoria.

Ald. Cooley pointed out that there were some portions of the city which could not be connected with this main. That was why septic tanks were required.

Dr. Fagan replied that septic tanks were required.

Dr. Fagan replied that septic tanks were required in cities which did not possess the sewerage facilities of Victoria. The question was a serious one, and should receive serious consideration. As regards the hospital drainings sementation and should receive serious consideration. As regards the hospital drainings sementation of the content of the content of the possess of the sewerage facilities of Victoria.
