**TO JOURNALS ENLIGHTENED  
FROM NEW-BRANSWICK!**  
THE CANADA COMPANY would  
admit to the various considerations of all  
kind, whether the various section of Canada,  
(formerly the Province of Upper Canada), does  
not offer every inducement for them to settle there,  
rather than that they should proceed to the United  
States. In Upper Canada they will find a most  
healthy climate, the soil very fertile, and abundance  
of excellent Land to be obtained upon easy  
terms, from the Government and the Canada  
Company. The great success which has attended  
settlement in Upper Canada is abundantly evi-  
denced by the progressive condition of the Province  
throughout the Country; and it also shows by the  
success of many natives of New Brunswick, and  
Nova Scotia, who have settled in many Townships  
of the Country; and the individual progress made  
by several thousands of people, who have taken  
Land from the Company, corroborates the success  
which has attended settlement in Upper Canada.

The Canada Company's LANDS are offered  
for sale by way of LEASE for Ten Years or for  
SALE AS BELOW. The plan of 100 Acre,  
and Lease is payable for February each year, and  
the Rent is to be paid in advance upon each  
year of the Land. Upon most of the Lots, when  
Leased, NO MONEY IS REQUIRED DOWN; but  
if it may be, it will be sold at 20% for the  
Term, or Three Years Rent may be paid in advance,  
and the balance will be paid by the renter from  
year to year, and the second, third, or fourth Year  
of the Term of Lease.

The Settler has secured to him the right of  
conveying his Land into a Township, and of con-  
veying the same to his heirs, or to any other person,
