

Let the Children Drink
all they want of
Sovereign Lime Juice

It's good for them in hot weather. Good for the stomach. The pure fruit acids of the lime satisfy that constant "craving for something cold." Sovereign Lime Juice is at once the most healthful, most delicious and the most economical of all summer drinks.

Dye to any Color At Home!

"Maypole" is a cake of soap that washes and dyes at one operation. Not an old fashioned dirty, messy powder dye. It gives brilliant, fast colors—dyes anything—dyes to any color or shade. Good-bye to that trip to the dye house—dye at home with Maypole.

Mrs. G. D. Allen, of Baie Verte Road, N. B., suffered from severe cramps for several years, obtaining only temporary relief from doctors. She was also greatly afflicted for 4 years, with Salt Rheum in her hands. She was advised to try

GATES'

Life of Man Bitters and Invigorating Syrup

This she did, also using Gates' Nerve Ointment on her hands. She has recently written us explaining how after 3 months' treatment she has been permanently cured of both diseases and she is recommending others to give these medicines a trial.

An Ottawa despatch of the 10th says: It is understood that Thomas R. Black, of Amherst N. S., a member of the legislature of Nova Scotia and a member of the Murray government, was appointed to the senate at today's cabinet meeting.

Patrick Duffy, of Rochester, N. Y., saw a boy drowning in the river the other day. He plunged in, rescued and swam ashore with the body and laid it on the river bank. Then looking at the face saw it was his ten-year-old son. The boy was dead and the father had fainted.

Mme. Herlot, manager of the Paris Grande Magasins du Louvre, sent her entire staff of 300 employees to London for the Whitesunside holidays in order to give them the opportunity of studying English clothes and to obtain a fair idea of what London desires in the line of dress.

Twelve men were killed and seven were severely wounded by the explosion of an infernal machine at the railroad station in Independence, Col. Potatoes were never so high in price in New York as at present, and there seems to be no immediate prospect that they will be cheaper. New potatoes on Saturday were selling "on the dock," as the wholesalers term it, for \$6.25 a barrel, 50 cents above any previous record, and this is the price in several-barrel lots and not for single barrels.

TOTAL ABSTAINERS GET SPECIAL ADVANTAGES

In the Manufacturers' Life Insurance Company during 1903 the saving from low mortality was 58.7 per cent. in the Total Abstainers' Section and 24.3 per cent. in the General Section.

Surely Abstainers consult their own best interests when they choose the Manufacturers' Life to carry their insurance.

The Manufacturers' Life is the only company operating in the Maritime Provinces giving Total Abstainers the terms and rates for which their low mortality calls.
