

Master of Peel, and seconded by Brother William M. Button, County Master of East York, that Francis H. Medcalf, Esq., of the City of Toronto, be Grand Master for the ensuing year.

In amendment, it was moved by Brother James McClure, County Master of North York, and seconded by Brother William Kennedy, County Master of Haldimand,—That Thomas Roberts Ferguson, Esq., M. P. P., be Grand Master for the ensuing year,

Brother John Carr stated, that he had a resolution prepared, proposing Brother Ferguson, but seeing that Brother Crawford had first proposed Brother Medcalf, and knowing that it was not in order, to propose an amendment to a nomination, but that all nominations must be put in the same order in which they may be proposed, he called upon Brother McClure to withdraw his amendment.

The Grand Master ruled that the amendment was not in order; and Brother McClure withdrew the same, stating that he would propose Brother Ferguson, should Brother Medcalf not receive a majority.

The Yeas and Nays were then called, and were taken down as follows:—
