

ORIENT LODGE, No. 11.

To the Most Worshipful Grand Master of the Grand Lodge of Prince Edward Island.

I beg leave to submit the following Report, having visited Orient Lodge on the 6th of January last, and upon examination of their minutes, find they had held 6 regular meetings and 1 special meeting. The highest number present, 14; lowest, 7; general average, 9; state of minutes, good; membership, 26. I called the Lodge's attention to only six regular meetings in the year; the reason they gave was, in the summer months it was almost impossible, on account of the small membership, to have a sufficient number present to open a Lodge. I impressed upon them the necessity of having their regular meetings every month, in accordance with their by-laws.

Orient Lodge has passed through a very trying time since its formation, but I am confident she will show a marked advancement this year in her work, and that she will advance and spread Masonic light in the east of our jurisdiction.

Respectfully submitted,

D. SMALL.
