If not, you should send it to us immediately, and make sure of a copy of our new Spring and Summer Catalogue, which will be ready for mailing about March 1st.

You will find it the most attractive catalogue published in Canada this year, every page illustrated, every price attractive, worthy in every way, of the finest store in the Dominion.

Our arrangement about PAYING CHARGES BOTH WAYS, if you are not satisfied with goods, puts Mail Order customers on an equality with our city customers—we take all the risk.

Make it a rule never to buy anything anywhere without first consulting our latest catalogue—and it will save you many a dollar.
