The Enquiry Desk located in the main lobby of the SUB is probably the best source of information on campus. If the people at the desk can't answer your questions, they usually have the name and phone number of someone who can. What's happening in the SUB and on campus is usually listed here. Also available are maps, accomodations lists, and special notices such as exam timetables and parking regulations, Handbooks, Dal Update, matches and various bulletins are on the counter. Along with a reff inter-university phone and free taxi phone.

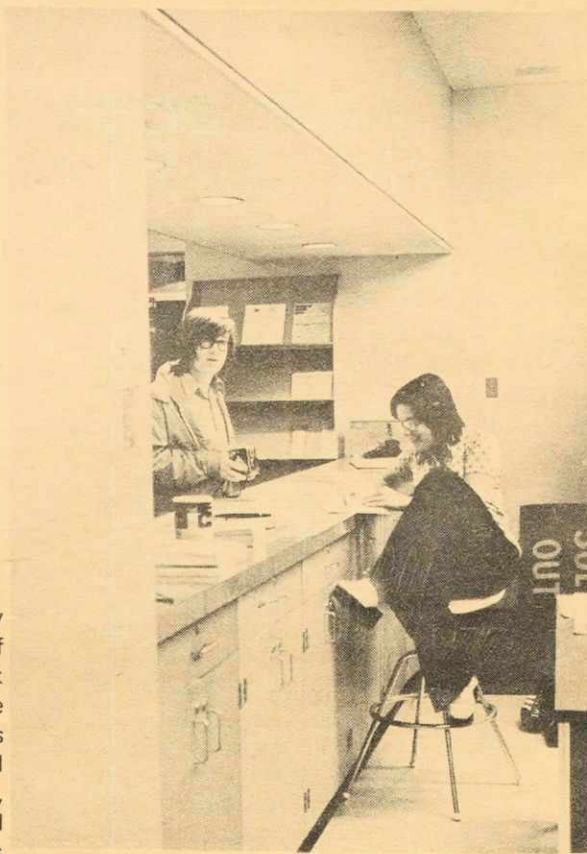

Other services offered are a checking service (during the day only) and parcels can be left here for other students if they're clearly labelled. Keys to the music and piano lounges are available in exchange for your student care. Even a frisbee can be borrowed with the same requirements!

Mail for the various SUB departments are available but your name must be on the appropriate list, and stamped mail and campus mial can be left here. The paging system is restricted to SUB personnel and emergencies. No personal or public announcements.

Topping this list is the suggestion box, so if you've ideas about how the Enquiry Desk can better serve you, drop us a line.
