W. L. Mackenzie King, Esq., M.P.,
Toronto, Ont.

Dear Mr. King,-

It is hardly necessary for me to offer you my congratulations on your splendid victory, as I presume you are getting a little tired of that by this time.

In reference to Mr. Ralph Weaver, mentioned in yours of the 16th inst., I will be very glad to look after him to the best of my ability when the time comes for appointing Concrete Inspectors. There will be nothing done in that direction until Spring, but I will keep your friend Weaver in mind.

Yours very truly,
