Ottawa, Ont. December 1st. 1923

Dear Mr. Lightbody:

I have just received yours of November 26th. I remember quite well meeting you in Yorkton this fall.

I reach Saskatoon somewhat late on the afternoon of the 11th. but if it is the desire of the Historical Society of your University that I should address them, I shall do so on subjects connected with the history and purpose of Imperial Conferences. However, I think it would be well not to announce any special subject.

Yours very truly,

Chas. W. Lightbody, Esq.,
University of Saskatchewan,
Saskatoon, Sask.
