 His passing just at
 this time means much
 of course to the children.
 Jim has another year at
 Osgoode still ahead of him
 & Mary has still to complete
 her 14th year at Varsity.
 The doctor has vetoed her
 attempting to take her
 exams this year.

Sincerely trust you
 are all well. - Dad looks
 very fit tho' apparently, like
 yourself, refuses to carry any

surplus weight in his
 youth

Yours very truly
