Dr. A. G. Bailey,  
Honorary Librarian,  
The University of New Brunswick,  
Fredericton, N. B.

Dear Dr. Bailey:

I received yesterday your letter of 5th instant and am grateful to you indeed for your kindness in returning to me the file of correspondence between myself and the late Viscount Bennett, which arrived this morning.

My understanding was that Miss Millar required the correspondence, or copies of it, for purposes of a biography of Lord Bennett. I loaned the file to her for use in preparation of such biography, but had no idea she intended to present it to the University of N. B. for inclusion in the new Bennett Memorial Room.

Yours very truly,

AM/E.

Arthur Meighen.
