Ottawa, Nov. 12, 1912.

Sir,

Referring to your favour of the 25th ultimo regarding Lots stated as 36, Concession C, Township of Amabel and asking for the field notes of the Southerly line of said lot, I beg to state the original plan does not show any Lot 36, in Concession C but the lot adjoining the mill site and immediately to the North thereof is numbered 37. It is presumed that you want the field notes of the line between Lot 37 and the mill lot. Accordingly I beg to enclose a certified copy of the field notes of the original survey by G. Rankin.

Encl.

Your obedient servant,

Assistant Deputy and Secretary.
