Ottawa, December 27, 1919.

Sir,-

I have to acknowledge the receipt of your letter of the 22nd instant, in which you inform the Department that you expect to visit the Rama Reserve in the near future and will discuss the question of holding a school fair with the Agent and the teachers.

In reply I beg to say that Mr. Agent Myers is being informed that it is desired that he will give every encouragement he can to the teacher in the teaching of gardening at this school, also to the pupils in carrying on gardens at their homes and in making the school fair a success.

Your obedient servant,

Asst. Deputy and Secretary.
