Well I Do Declare!

I see better since I got those Glasses at E. J.
MacIntyre's than I've seen for 15 years. And
yet people will go on through life, sometimes
half blind, always uneasy, sometimes in dread-
ful pain, simply for the lack of proper Spec-
tacles or Glasses. Have your eyes tested by
me. It won't cost you anything.

ONE YEAR

Such was the Sentence of Wm. Boyd
—Largely Signed Petition
Presented

London, Ont., May 5.—Wm. Boyd
and Hugh Stevenson, found guilty
of conspiracy to defraud Hugh M.
Douglass, were sentenced on the
opening of the Assize Court yester-
day. The two men were ordered by
Mr. Justice Meredith to be imprison-
ed in the Central Prison at Toronto
for a period of one year. His Lord-
ship made the statement that the
sentences were made considerably
lighter by reason of the fact that
he had been handed a number of
petitions, strongly signed, asking for
clemency.

JUDGE ADDRESSES PRISONERS.
Addressing Boyd, His Lordship said
that there were several things to be
regretted in his case. He was a
young and intelligent Canadian, born
of decent people, as able as any man
to earn his own livelihood.

"It is to be regretted that you
allowed yourself to become the stool
pigeon of American crooks," went on
the judge, "to decoy Canadian geese
across the border to be plucked. If
it had been done for your own bene-
fit there would have been less dis-
grace in it for you."

Another thing to be regretted was
that the "millionaires," his accom-
plices, were not in the dock with
him. It was to be regretted that
any man should stoop to methods
shown to have been pursued in this
case and that any man should let his
cupidity and his stupidity lead him
into what constituted him a criminal
in the eyes of the law.

"Douglass has received his punish-
ment," went on Justice Meredith.
"And his punishment is not a light
one. He has been fined \$10,000, and
has paid dearly for his cupidity."

"You have made a fake start, a start
that if persisted in will lead to one
place only, to the penitentiary for
the greater portion of your life. I
have great hopes that by this stum-
bling and tripping up you will become
a credit to yourself, your family, and
the community. This may become a
blessing in disguise to you. We are
told it is an ill wind that blows no-
body good. I hope this will blow you
some good."

His Lordship's remarks to Steven-
son were much more brief.

WILL PRINT EVIDENCE.

Telephone Committee's Records Will
Be Put Into Print.

Ottawa, May 5.—The Telephone
Committee decided yesterday morning
to publish the voluminous evidence
that has been taken before it with as
much of the correspondence as is de-
emmed necessary. When the point was un-
der consideration Sir William Mulock
took the ground that it was best to
let the public have all the information
obtainable on the examination. No evi-
dence was taken yesterday.

The secretary-treasurer of the New
Brunswick Telephone Co. was sum-
moned to appear before the commit-
tee. The company is allied with the
Bell. Three directors are John A. G.
Blair, Senator Thompson, and Senator
Dandurand.

In response to a circular, recently
issued by Sir William Mulock's com-
mittee, asking for members' views on
the telephone question, D. W. Zelle,
M. P. for Winnipeg, has written a let-
ter advocating that the Government
appropriate the local systems as well
as the long-distance lines, on the
ground that they alike are a natural
monopoly, and can best be regulated
thereby by the rational Government.

It was decided that the examination
of C. M. Hay and D. McNeill should
be in the hands of Mr. Chrysler, the
committee's counsel.

After that examination the members
will be allowed to question the rail-
way men. The same arrangement
applies to the examination of Mr. Sise,
on Tuesday next.

The committee will meet again on
Tuesday next.

RODNEY CASE IN COURT.

Mrs. Covell and Alexander Willis Up
For Preliminary Hearing.

St. Thomas, May 5.—Mrs. Benjamin
Covell and Alexander Willis, charged
with the murder of Miss Eliza Lowry
on April 18, were taken from the
County Jail here yesterday morning to
stand preliminary trial before County
Magistrate Hunt yesterday.

A report from Rodney at noon dis-
closed nothing new. Dr. Patterson of
Rodney gave his evidence, which was
the same as that given before the coroner.
He maintained that the dead woman
had been criminally assaulted by un-
natural means.

Rodney, May 5.—At the trial yester-
day afternoon, Mrs. Bellwoods, a
trained nurse, made this statement:
"I came to attend to Mrs. Covell only
when Mrs. Lewis told me that Mrs.
Covell was badly hurt, and that the
case was urgent."

When Mrs. Lewis, who will proba-
bly be the first witness to-day, is
confronted with this declaration, in
the face of her statement that Mrs.
Covell's injuries were trifling, it may
make some important amendments in
her testimony.

Family Nearly Suffocated.
Toronto Junction, May 5.—Harry
Gibson and wife of Western avenue,
and Arthur Gibson, who lives with
them, had a narrow escape from being
suffocated on Tuesday night owing to
gas escaping from the stove. Although
unable to be around Wednesday, they
were out of danger yesterday.

Mother Sees Son Electrocuted.
Quebec, May 5.—Emile Rioux, fifteen
years of age, was electrocuted before
his mother's eyes at Roberval, having
climbed one of the poles of the elec-
tric company to amuse a young sister.

He that swells in prosperity will
be sure to shrink in adversity.

DEATH BY SUFFOCATION.

Coroner's Jury Renders Verdict in
Case of James Kirvan.

Brantford, May 5.—The coroner's in-
quest, held yesterday afternoon, on the
death of James Kirvan, who early
Tuesday morning was found dead in
his burning house, returned a verdict
of death by suffocation, the origin of
the fire unknown, and attaching blame
to no one.

Lizzie Smith, the Collingwood girl
who has been living with Kirvan, con-
fessed that she was never married to
the deceased. She said she had led
her parents to believe that she had
been, and claimed that Kirvan had
promised to make her his wife later
on.

The father of the unfortunate young
woman took her home to Collingwood
yesterday. She is 19 years of age. Kir-
van was 32.

KING EDWARD LEAVES PARIS.

His Majesty Returning to London—
Loubet and Delcasse Saw Him Off.

Paris, May 5.—King Edward left
Paris at noon yesterday for London.
He was accompanied to the depot by
representatives of President Loubet
and Foreign Minister Delcasse and
many officials. His Majesty bestowed
a number of decorations of the Order
of Victoria and expressed the great
satisfaction which he had experienced
from his sojourn in France.

Canadian Doctors in the States.

Detroit, May 5.—Dr. Geo. Chene of
Windsor and Dr. G. W. Robinson of
Scarboro were yesterday appointed
house surgeons of St. Mary's Hospital
for two years. Dr. Chene is a grad-
uate of Toronto University. The medi-
cal and surgical staff of St. Mary's
is now entirely Canadian. Dr. McLean,
head surgeon, being a native of St.
Mary's, Ont., and Dr. McIntyre, assist-
ant, of Forest. St. Mary's Hospital
is one of the largest in the city. It is
under Roman Catholic control, but
non-sectarian in its benefits.
