#### **TAKEN EXTERNALLY,**

it will be found the most safe, expeditious, and powerful remedy known in the world. Its action is at once felt, and cures effected almost instantaneously. A GREAT EQUALIZER OF THE CIRCULATION. *It literally demolishes pain.*

*Chills and Fever, Fever and Ague*

#### **CONQUERED.**

### **RADWAY'S READY RELIEF AND PILLS**

not only cure the patient seized with this terrible foe to settlers in newly-settled districts, "where the malaria of Ague exists, but if people exposed to it will, every morning on getting out of bed, take twenty or thirty drops of the Ready Relief, in a glass of water, and drink it, and eat say a cracker, they will escape attacks. This must be done before going out.

A person going out in a malarious atmosphere, with his stomach empty and his system weakened, and inhaling this malarious poison, the absorbents at once take it up, and circulate it through the system. The Ready Relief, being a NEUTRALIZER, DISINFECTANT, and DIFFUSIVE STIMULANT, at once settles the stomach and protects it against the ill effects of the malaria. It quickens the circulation of the blood that has been checked and clogged in the vessels from

Tumefaction, supervening in wounds, prevents delirium.

The color of the blood is owing to the oxide of iron it contains.

Blood from the arteries is red, from the veins dark-colored.
