On Monday, November 22nd, a very interesting farewell gathering was held in the School House prior to Mr. O'Malley's departure. The Hon. John Dobson occupied the chair, and asking the Rector to open with prayer. On behalf of members of the congregation he presented Mr. O'Malley with a very useful travelling bag, a silver inkstand and a field glass, expressing regret at his departure and wishing him abundant blessing in his new sphere of labor. Mr. O'Malley expressed his thanks for uniform kindness received and regrets at leaving, and gave some very useful and helpful remarks as to the helping forward of God's work in this part, and also asked for the continued prayers of his friends here. A short and pleasing program was given; the ladies had provided refreshments. "God be with you till we meet again" was sung, and as they said "Good-bye" many wished our friend richest blessings in his work in Montreal.
