Brethour's Winnings at St. Louis

He won in all 11 premier championships for breeder; 3 grand championships; 4 championships; 2 reserve grand championships; 2 reserve championships; 12 first prizes; 14 second prizes; 11 third prizes and 5 fourth prizes.

The Uppermill and Collynie Sale

The great Uppermill and Collynie Shorthorn sale, which took place on the historic farm at Uppermill, the residence of the late W. S. Marr, on Oct. 11th, must be classed as one of the greatest in the history of the "red, white and roans." The result far exceeded the most sanguine expectations. The attendance is estimated at from 2,000 to 3,000. Many went to honor the great breeder, recently passed away, others because they expected to see one of the greatest sales of the age, while hundreds were present to buy who never got to the limit of bidding. There was spirited bidding, and the greatest enthusiasm shown by fanciers. The veteran auctioneer of pure-breds, Mr. Jno. M. Fraser, wielded the hammer. Canada was represented at the sale by Messrs. W. D. Platt, of Hamilton, and Arthur Johnston, Greenwood, Ontario, but their names did not figure in the list of purchasers.

Though the attendance was large, yet the purchases were distributed among comparatively few buyers. Twenty-four animals, or nearly one-fifth of the whole, were bought for exportation to the Argentine, at a total cost of 7110 gs. The next largest contingent was bought for the Irish Department of Agriculture at a cost of 1745 gs. Mr. Wm. Duthie, Collynie, stood third with seven of the choicest lots, at a total outlay of 1580 gs. The sensation of the sale was the great bull Bapton Favorite, which Mr. Duthie tried hard to keep in Scotland; but he did not bid high enough. He sold for 1200 gs. (\$6,000) to go to the Argentine.

The sale throughout was a most successful one from an exposé's point of view. The 113 head of the Uppermill stock sold for an average of £16 5s. 4d. (\$840) each. The 20 bull calves averaged £125 2s. 2d.; the stock bulls, £535 10s.; the 41 cows, £160 7s. 10d.; the 8 two-year-old heifers, £155 5s. 5d.; the 21 yearling heifers, £118; and the 20 heifer calves, £129 12s. 10d. The sale totalled £17,658 4s. (nearly \$88,200).

The annual draft of bull calves from the Collynie herd also met an excited demand. The calves were admitted to be an exceptionally grand lot, almost the only drawback being that quite a number of the best ones were white. Had there been more of the popular red or roan colors an even higher average might have been reached. The eighteen bull calves sold for a total of £4,079 5s., or an average of £226 12s. 6d., a figure that has never been approached in the history of these draft sales.

hall, Wighton, Cumberland. These comprise the great horse Garty Gold (10755), which Mr. Kerr had no intention whatever of selling, but Mr. Berry was very anxious to get an extra good stallion to stand at his own stables, and resolved to pay the price asked, which is well on to the four figures. Garty Gold is a splendidly bred horse, being by the noted horse Gold Mine (8540), which, in the hands of Mr. P. Crawford, won so many prizes at the principal shows in Scotland, and his gr-sire was the noted Goldfinder (8807), by Lord Lynedoch (4330), by Lord Blantyre (2245), by Darnley (222), and his dam is the celebrated Garty Princess (12868), gr-dam Nazetta (11611), g-gr-dam Nazi (3281), g-g-gr-dam Conetta V.I., the dam of the great horse Sirdar (4714). Few, if any horse living, has a record of prize-winning ancestry equal to Garty Gold, as all the mares mentioned have been more or less prize-winners at the Highland Society and other important shows in Scotland. Garty Gold himself obtained a lot of prizes, and has two years in succession won the Hexham district. The other horses are Lord Jim (1407), by the celebrated Lord Lothian (5098), out of the prize-winning mare Darling of Fostown (14855); Lord Carlisle (14402), by Crown Rights (10182)—a horse that was bred by her late Majesty Queen Victoria—out of the Champion mare Lady Carlisle (14867), by Lord Lothian; and the two-year-old colt Baron Moffat, by Blacoon Baron (10510), a son of Baron's Pride (9122), and out of the mare Betsy Pride (13708), a mare descended from the famous Garscadden (40), for one of which the late Mr. David Beattie's father, at Newbie House, Annan, gave £500. These horses cannot but prove a credit to a cross-bred line bred in their new home, and it is hoped they will reach their destination in safety. They went per the S.S. Dominion, which sailed on Thursday from Liverpool—Scottish Farmer.

Mr. Sorby's Importations

Messrs. O. Sorby, Guelph, and J. Turner, Calgary, Alta., have just arrived with a large shipment of Clydesdale stallions and fillies, forty-two in all. They are mostly young stallions, and make a good lot, perhaps the best that these importers have yet brought across. They comprise a number of prizewinners, the gets of the best horses in Scotland. Mr. Sorby also brought out two fine Hackney stallions, and an excellent mare with filly foal by her side, the mare a get of Garton Duke of Connaught, the filly by Diplomatist. Among the Clydes is a full brother to Elator, imported by Mr. Sorby a year ago; another three-year-old by Cawdor Cup; and a full brother of the champion horse Revelant.

Mr. Fulford's Importations

Mr. William Fulford, Heathcote, Ont., sails this week with one Clydesdale stallion and four mares and fillies bought from Mr. James Picken, Torrs, Kirkcudbright. The stallion is Royal Scott (11179), a big five-year-old horse bred by Mrs. Holmes, Bairdairn, Kilmalcolm, and got by the champion sire Sir Evered (5335). This is an uncommonly well-bred big horse. He was in the short list at the Glasgow Show when a three-year-old, and first at the Royal Northern Society's Show, Aberdeen, same year. His sire was thrice awarded the Glasgow premium, and was the sire of the great champion horse Baron's Pride (9122). His dam was a very well-bred mare got by the unbeaten Cawdor Cup champion horse Prince of Carruchan (8151), while his gr-dam was a successful breeding mare got by
