**"GOOD-LUCK" GANG PLOWS.**

**TWO** plows in **ONE**. **NO. 6** (shown above): 2 furrows, 10 $\frac{1}{4}$  or 11 $\frac{1}{4}$  inch. each. **NO. 7**, narrower. Plows for **SOD** or **STIFF CLAY**: 2 furrows, 8 $\frac{1}{2}$  or 9 $\frac{1}{2}$  inch. each. Very **BEST** quality of **WORK IN THE FIELD**. Unequalled for **CONVENIENCE** and **EASE OF HANDLING**, **LIGHTEST** in draft of **ALL BIG GANGS**. **MEDALS** and **Diplomas** at **WORLD'S FAIRS**, Chicago and Paris. See our **AGENT**, or write us direct **TO-DAY**.

"Your big gang is the best I have ever seen. I work it in all kinds of land and in hard clay, among stones."  
R. LOVE, KAGAWOKO.  
"I have had lots of experience with large gangs, and have had three different makes in the field with yours, and prefer yours to them all. Your gang plow is away ahead of any other made to-day."  
ALEX. THOMPSON, BRUCEFIELD.  
"Ship me another big gang. These plows beat every other gang sold in this town. I think they are the best plow made."  
JOHN PEACOCK, ELMVALE.  
**J. FLEURY'S SONS, AURORA, CANADA.**

**BLACK BEAUTY**

**Leather Dressing**

AN ABSOLUTE BLACK, FREE FROM ACID.

Will not rot stitches, but preserves the leather. Restores color and life of a harness, no matter how old, red and stiff.

**The Originator and the Original**

**THOM'S BLOWER ELEVATOR SILO FILLER.**

As far as we know, the only successful Blower Elevator Silo Filler in either Canada or the States is the machine manufactured under Thom's patents. Machines made in six sizes. Capacity from 5 to 25 tons per hour.

Our machines require only half the speed and power of imitation machines.

Suitable for any kind of farm power. Recommended by agricultural colleges and the leading farmers of Canada and the United States. Send for testimonials and further information.

Give your address and we will send you testimonials from Canada's progressive farmers, and a lithographed color showing machine.
