A Physician's Testimony for Labatt's Ale

"We find that the ale uniformly and well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste, likewise, is always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—SUPERINTENDENT OF LARGE U. S. HOSPITAL.

Some Facts Worth Considering

YOU are getting older every day, and a Policy of Life Insurance will cost you less now than in any future time.

The policy which you "intend taking later on" is not protecting your family now, and death often comes when most unexpected.

The human body does not improve with age; you may be insurable now, but may not be so next week.

The financial position of the North American Life is unexcelled, affording the best security for policy holders.

It will be to your advantage to procure a policy at once for the
