**Pictures for our Readers**

THE finest, most instructive, entertaining and exhilarating combination of specially selected periodicals and magazines ever placed before our readers. Something to cheer and educate our farmers, their wives and families during the coming winter.

**Education for our Readers**

## OUR OBJECTIVE:

"It is better to fight for the good than to rail at the ill." Time is short. Information is earnestly desired, but it is wanted in compact form. We want real knowledge, and withal gracefully delivered. It is to meet these requirements that The Grain Growers' Guide is co-operating with the most prominent periodicals and magazines on the continent. We wish to lend real assistance to our farmers who are striving to make their lives and those of their families broader and brighter, as well as to increase their bank accounts. We have made arrangements to offer the following papers and magazines to our old and new subscribers at unprecedented combination prices:

**THE GRAIN GROWERS' GUIDE**    The American Magazine  
 The Family Herald and Weekly Star  
 The Woman's Home Companion

A constellation of the best papers obtainable in the Dominion or U.S.A.

### The American Magazine

A MONTHLY magazine of exceptional merit. The leading progressive magazine on the continent. It publishes able articles advocating lower tariff, direct legislation, taxation of land values and is interested in every reform movement in the country. It has been selected by The Grain Growers' Guide as the best magazine of its class obtainable. LA FOLLETTE, President Taft's chief opponent at the next presidential nomination, describes vividly his many fights politically. STEWART EDWARD WHITE writes of his experiences in the Wilds of Africa. FINLEY PETER DUNNE, better known as Mr. Dooley, depicts the multi-millionaire of this day, and IDA M. TARBEL portrays the American woman of to-day.

### The Woman's Home Companion

THIS leading ladies journal contains a mine of useful information for the ladies on the farm. Everything of interest to the fair sex is portrayed in its columns. Novels to suit the most particular taste. Pictures for framing, in water colors and oil. Stories for the children. Advice to mothers. Patterns for your dress-makers, music etc. In fact it would take a whole page to enumerate the many good points of this fine journal.

### The Grain Growers' Guide

Everyone knows what The Guide has done and is doing for Western farmers. Equity, "Equal rights to all and special privileges to none," is the goal we are aiming for. A brighter day, with a reduced cost of living and a square deal all round. To assist our farmers to co-operate to secure that which is best for all. To enable the men on the land—the wealth producers of Canada—to place their industry on a better basis. To educate, organize, co-operate and emancipate our agriculturalists. These are the ideals of the official organ of the organized farmers of the Golden West.

### The Family Herald and Weekly Star

THIS splendid paper has life long readers in every province in the Dominion, and they all shout its praises. The news section gives the world's news in pertinent and readable form; it is new, dependable and interesting. The magazine section contains the cream of stories of world wide source. It is up-to-date and sold at a price within the reach of all. Subscribers to the Guide and Family Herald and Weekly Star will receive the beautiful picture,

### "Home Again" Absolutely Free.

THIS picture is very fine and is engraved on heavy plate paper 22 x 20, all ready for framing. "LADDIE," a collie dog, famous for his beauty, winner of many prizes at dog shows, the pride of the family, has been stolen, and after many days absence he escapes and returns home with the rope which he has broken in his struggles for freedom, dangling at his collar. The sweet faced young mother with her two glad eyed children meet him and give him a right royal welcome home again. This picture is really worth one dollar itself.
