

Save over 35%

of the purchasing price on your range by buying a

"Dominion Pride"

direct from the factory

This Range Fully Guaranteed and Freight Paid

\$41 to \$49

WHY WE ARE ABLE TO SAVE YOU SO MUCH MONEY.

We make the Ranges and place them in your Kitchen. There's only one transaction and one reasonable profit made on the whole transaction. You don't have to pay a factory profit—then a jobber's profit—a retailer's profit—store rent and clerk hire—and expenses of travelling salesmen. Our great "Factory to Kitchen" Plan enables you to buy the best Range for the same price that the wholesaler and jobber would have to pay—and LESS than the retail dealer could get it for—and on better terms too.

"DOMINION PRIDE" RANGES

would cost from \$69 to \$78 if sold by retail stores. Our square deal way of dealing direct with you—and saving you all the profits made on ordinary ranges—enables you to have a "Dominion Pride" Range for \$41 to \$49.

"Dominion Pride" Ranges are made of best Blue Polished Steel and Malleable Iron. Polished steel does not need blacking—simply go over it with a cloth and it will stay fresh and bright. Malleable Iron will NOT warp, crack or break, as cast iron will. Malleable Iron is used by railroads for car castings, and by Farming Implement Makers, because of its superior strength. Cast Iron Ranges are cheap—even at their best—and expensive for you at any price because they soon go to pieces. "Dominion Pride" Ranges will last a lifetime because they are built right, of the right materials, by people who know.

SAVE OVER 30% OF YOUR FUEL

"Dominion Pride" Ranges have proved this by actual tests. Whether you use wood or coal "Dominion Pride" will cut down the cost of fuel by almost one-third. COLD rolled steel plate ovens, sectional iron lining Fire Box with air chambers—double walled flues, interlined with asbestos—extra heavy grates—all help to make "Dominion Pride" the most economical Range you can buy.

WE GUARANTEE THEM—ABSOLUTELY

Over 6,000 of our RANGES are in use in Toronto alone, and many thousands more in other parts of Canada. You get a Range that has proved its superiority in every way when you buy a "Dominion Pride," and our guarantee holds good for a year. This guarantee means everything to you—because you have an enormous factory and an old established Canadian Company back of the guarantee. Here's another point about "Dominion Pride" Ranges that is missing in Ranges bought at retail stores. You can always get new parts if you need them.

WE PAY THE FREIGHT—RIGHT TO YOUR STATION

Our price—direct from our Factory to your Kitchen is this—a "Dominion Pride" Range 8-18 or 9-18 top, with high closet shelf or elevated tank or flush reservoir, with zinc sheet to go under Range, 8 joints of blue polished steel pipe and 2 elbows—delivered to any railroad express station in Ontario, Quebec, New Brunswick, Nova Scotia or Prince Edward Island—for \$41—OR delivered to any railroad express station in Manitoba, Alberta, Saskatchewan or British Columbia—\$49. \$5 to be sent with order, balance to be paid when Range is delivered at your railroad station. If not convenient to pay cash we will arrange to accept your Note.

Our illustrated booklets tell the whole story of "Dominion Pride" Ranges, and explain the details of our "Factory to Kitchen" plan of saving you money. At least, write for the booklets. You'll find them wonderfully interesting. Send to-day.

Canada Malleable & Steel Range Mfg. Co., Limited, OSHAWA, ONTARIO

(IN WRITING PLEASE MENTION THIS PAPER)

THE "BT" LITTER CARRIER

Has Features That You Will Appreciate

Its construction is simpler than any other—fewer parts to wear out.

Its parts are heavier and more strongly built.

Only the very best of materials are allowed to enter into the construction of the "BT" Carrier.

These features, together with the following points of advantage, have made the "BT" Carrier famous.

1st. In lifting we use double purchase. This is an exclusive feature of merit on our carriers.

2nd. The bucket on the "BT" Carrier can be tipped either way to discharge—most buckets will tip only one way.

3rd. It is made of 18 gauge galvanized steel, being some four gauges heavier than the material used by other firms.

4th. The bucket can be elevated higher than any other. The bottom of the box is within three feet of the track when wound up.

5th. The "BT" Litter Carrier Track is heavier per foot and stronger than any other on the market. It is made of the toughest and stiffest high-carbon steel.

If you are thinking of buying a Litter Carrier let us send you our new catalogue on the "BT" Litter Carrier. It is just off the press and is free.

WRITE TODAY for catalogue and information.
