

STOCK MARKETS

There was a good deal of business done at the western cattle yards to-day, but the receipts being heavy there was a downward tendency to prices in some lines, chiefly sheep and cattle. There were quite a few buyers present from Buffalo. The receipts were 60 car loads consisting of 1004 sheep and lambs, 1,500 hogs, 20 calves and about the same quantity of milk cows and springers.

Export Cattle—There was hardly any buying done in this line to-day. Prices ruled from 3½c to 4½c per lb. Altogether, only about two car-loads were made up to go through by way of St. John.

Butchers' Cattle—Offerings were heavy for the demand, and the result was a slightly weaker feeling. It may be said that cattle are off about \$2 per head. One dealer, who bought about 25 choice cattle, said that he would have had to pay \$50 more for the lot if he had bought them last Tuesday. Some of the poorer cattle remained in the pens at the close of the market. There are too many common cattle coming forward. The prices for the best run of killing cattle may be put at 3½c to 3¾c per lb, only a few fancy heads going a little higher. Common cattle sell for 3c per lb, or may be slightly lower where the drover was bound to sell.

Stockers and Feeders—There was a fair demand for Buffalo, the prices paid by those buyers being from 3½ to 3¾c per lb, common light stockers selling for 3c to 3½c per lb. Feeding steers were being bought by distillery men at from 3½c to 3¾c per lb, and they were paying 2½c to 3c for feeding bulls.

Sheep and Lambs—Lambs were firmer, selling at from \$5.25 to \$5.40 per cwt, an advance of about 20c. Sheep were a little weaker. They sold for from 3½c to 3¾c per lb. Bucks bring 2½c to 3c per lb.

Calves—There was a good demand for choice veals, and many more could have been disposed of. Poor calves are not wanted. Prices rule from \$2 to \$3 per head, with odd fancy veals touching \$9.

Milk Cows and Springers—Offerings were light, and all sold at firm prices. Choice cows sell for \$40 to \$50 each, and common cows at \$20 to \$25.

Hogs—Offerings were heavy, but the market held its own and prices did not decline any further than they did last Tuesday. Choice singers sold for \$4.40, weighed off the cars.

Mr. Kenneth Cameron, Conservative candidate in Peel, has retired from the contest.

Almer Moore had the top of one of his fingers cut off by the band saw at Button & Fossant's factory this week and will be laid off work in consequence.

On Friday Mr. David Smith who lives south of the town was engaged in tying up the cattle in the stable. While putting the rope around the neck of one of them it threw its head upwards with such force as to break his nose and throw him backwards in the stall where he was found unconscious sometime afterwards. In addition to the injury to the nose his forehead bears marks of the severity of the blow. Since he has recovered consciousness it is found that his memory is affected and he cannot recall the accident or tell what happened to him. —Bruce Herald.

Holland Landing, Feb. 13—Mr. E. Route, a farmer residing two miles north of here, wonderfully escaped a horrible death yesterday at 3 p. m. Mr. Alexander Shields of this place had some ten or twelve teams engaged at a bee moving his barn on sleighs, and while the horses were in motion one of the horses' hind legs fast under the sleigh, throwing it down, and Mr. Route in some manner was knocked under the horse, and before the horses could be stopped horse and man were dragged some 20 or 30 feet. Mr. Route was soon extricated, and when examined by the doctor who was immediately on hand it was found several ribs were broken and a deep gash in the left thigh, where one of the horses tramped on him, and several cuts about the head. Mr. Route was conscious while in his fearful predicament, and as the horse was some 1,600 or 1,700 lbs in weight one can imagine the agony he must have been in. He says it is the tightest squeeze he ever got, and he never expected to come out alive. He will in all probability recover, but will be unable to get around again for some time.

Dr. CHASE CURES FATHER AND CHILD

Both afflicted with Eczema of a very troublesome type and cured in a remarkably short while by Dr. Chase's Ointment.

"I was troubled for ten years with eczema on one leg; the itching was something terrible; I would scratch until the blood came. How I came to know the value of DR. CHASE'S OINTMENT, I have a little girl two years; when she was one year old the same disease began to show upon her face. It wasn't long before her face became literally covered with it. In order to keep her from scratching it we had to bandage her hands up. I tried several doctors, but got no relief. Seeing DR. CHASE'S OINTMENT so highly advertised I made up my mind to purchase a box, which I did from one of our leading druggists. The first application I noticed a change. It was then I began to think about myself. With four or five applications, to my surprise, I am completely cured, no sign of the disease, and my little girl's face to-day is clear of all the scabs. I am only too glad to inform any person what a blessing DR. CHASE'S OINTMENT has proved itself.
